 Monzo, 2023-03-07 God speaks to us in many different ways The Bible of course is His primary source but if you focus on
 what you are seeing and hearing in the world around you you can find spiritual messages in so many different sources as God
 uses us as vessels to convey His message of salvation to the world This includes through the visions of creation the
 fragrances of nature the sounds of the singing birds the thunder of the clouds the roars of the oceans the amazing sunsets
 the glorious sunrises and even in the quiet and dark star filled nights As Paul wrote in Romans 1 20 NIV For since the
 creation of the world God's invisible qualities his eternal power and divine nature have been clearly seen being understood
 from what has been made so that people are without excuse He also speaks to us through music and film in ways that we don't
 realize unless we are really paying attention This book presents a taste of how popular music and movies and even art as
 displayed on the cover can convey a message of hope and love to all those who have ears to hear and eyes to see what God is
 trying to tell them Some of the interpretations are based on what I perceive these songs or movies to be about which may not
 necessarily be what the writer intended Yet if you open up your heart you can find a message of love and hope in so many
 songs and movies and this message is what the gospel is all about Jesus gave a new commandment when he said in John 13
 34 NLT Love each other Just as I have loved you you should love each other And the hope that we have is the confident
 anticipation of spending eternity with the Lord in His eternal kingdom and not just wishful thinking which is nothing but a
 worldly hope **Traveling Around the World with Mike and Barbara Bivona** Mike Bivona, 2013-11-01 Mike and

A Circle of Saints Anne E. Neuberger, 2009 All children love stories and these wonderful saint stories are no exception They put children in touch with the key events in the saints life but also with the Church s liturgical year Using symbols and seasons to great advantage the author creates here beautiful and meaningful moments for sharing these stories She believes that celebrating the saints gives children at least two experiences they rarely encounter both vital to a healthy spirituality taking time for reflection and learning the language of symbols Whether in a religion class or at home children will love hearing about Nicholas Lucia John Bosco Bridget Bernadette Peter Martin de Porres Mary and twenty eight others
