Hoogerwerf,2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires Honoring God with Body and Mind invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection Unlike many books about Christians and sex this one doesn't simply tell you what to do or not to do Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making Informed by many years of conversations with college students the author also invites you to think about practical questions such as these Can men and women be friends without the complications of sexual attraction If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing What is lust Is masturbation sinful Can virginity be reclaimed *One by One* Gina Dalfonzo,2017-06-20 There are now more single adults than married adults in the United States yet the evangelical church continues to focus primarily on serving couples and families with ministries geared toward their particular needs This can lead however unintentionally to the marginalization of adults who are single by choice divorce or death or who are simply not yet married Families are a good thing but so are all of God's people and singles long to be lovingly integrated into the Body of Christ In *One by One* Gina Dalfonzo explores common misconceptions and stereotypes about singles including the idea that they must be single because something is wrong with them and the subtle and not so subtle ways they are devalued like when sermons focus overmuch on navigating marital relationships or raising children She shows how the church of Paul who commended those who remained single became the church where singles are too often treated like second class Christians Then she explores what the church is doing right what unique services singles can offer the church and most importantly what the church can do to love and support the singles in their midst **22 and Single** Katie Kiesler,2012-07-19 My name is Katie and I'm twenty two years old and single Some people might say What's the big deal You're only twenty two I wish I could confidently reply It's not a big deal I'm completely content and loving the single life But I can't This past year ten of my friends got married It was awesome to see them with the person God had so clearly planned for them but it was also hard not to envy their fairytale love stories Did God forget about me **22 Single** is simply a collection of journal entries as well as reflective commentary throughout my quest to live a God honoring life in a time of discontentment God's Gift to Women Eric Ludy,2009-01-21 In a culture that exalts the caveman like qualities of masculinity most women have stopped expecting anything more Young men are taught to view

women as slaves to their self centered desires More than ever men need to know that they can rise above this sad mediocrity They desperately need someone to recognize their potential for blending courage and kindness strength and spiritual sensitivity With its riveting vision of Christ centered manhood God s Gift to Women shows young men how to become the heroic selfless knight that every woman dreams about Buried Inside Every Young Man Is the Potential to Change the World Deep within the rugged soul of every young man there is a warrior in search of his sword and a poet in search of his pen But heroic prince like masculinity is something most women only dream of in today s perverse and self serving world With contagious passion and boldness Eric Ludy challenges you to forsake modern male mediocrity for Christ built warrior poet manhood manhood that will capture the heart of a woman and change the course of history Crossing Over (Paperback Edition) Dr. Robert McDuffie,2013-05-21 One man s story upon his return to his Hebrew Roots by Robert McDuffie

Damaged Goods Dianna Anderson,2015-02-10 Dianna Anderson offers a fresh approach to the purity conversation one that opens a new dialogue with the most influential Christian authors of her generation Anderson s new sexual ethics draw on core biblical principles and set a standard for today s Christians that may be as influential Joshua Harris I Kissed Dating Goodbye Don Raunika s Choosing God s Best and Elisabeth Elliot s Passion and Purity Anderson uses her own illuminating experience with the purity movement to Reach out to women and men trying to reconcile their own sexuality with their understanding of what God wants cultural stigma and media pressures Demonstrate how Christian ideas about purity have infiltrated American politics and culture and why women are losing Offer an affirmative healing path for everyone to understand their sexuality one that reconciles scripture culture and common sense Provocative and engaging she will revolutionize the way you think about sex abstinence politics and faith **Let God Write Your Love Story** Katie Garraway,2010-09-01 Waiting is not easy especially for Christian young women in this day and age Many wonder if they should do something to help the process along a little They date different guys testing them out hoping that perhaps one day they ll figure out which one is the one They get physically involved knowing that they shouldn t yet it is so appealing Why Wait In Let God Write Your Love Story Katie Garraway shares her story that waiting is worth it She encourages young ladies to let God be in control of their dreams Because she has found that God writes the best love stories
