Closed Doors Staci M Weems,2013-03-25 Mona grew up in Brooklyn New York with five siblings Mona loved her siblings and her mom She did not know that her mom suffered with an illness that would tear their family apart Mona later lived with a father and new siblings she barely knew Mona learned that her father was abusive and had a serious drug problem Mona and her sister Emma went through hell before they were free Mona would have to learn to teach herself about life and family hardships Mona would see many of her dreams closed by doors that opened to more pain Mona experienced life love pain loss and spirituality before she at last recognized her purpose Where Is That Gal? Ethie Threats-Hogan,2019-05-14 My encouraging words to my readers and their parents I sincerely wrote this true story of my childhood life that I may be able to

encourage a child or a parent to write about their childhood experiences Especially if there is something that might be troubling to them I had a very adventurous childhood with my parents siblings and friends All I wanted to do was please my parents My personal advice to children of all ages is to talk and ask your parents questions Write about your experiences listen and pray to God about it and my advice to parents is to always take time out with your child never be too busy to hear what your child has to say Remember when you spend time together you are shaping your child s life and developing a good lifelong relationship Be your child s role model Sammie Says... Shiana,2013-01-04 Sammie tells you a vivid story of her life being flipped upside down taking you on a journey you won t ever forget From her childhood with a racist grandma to her dopefiend mom to being daddy s little girl Her daddy finds a new way of hustling that would lead to lies blackmail and even death Sammie goes from the hushful naive little patsy girl to a deranged girl with a gun strapped to her hip Sammie will have you on the edge of your seat as she tells her tale of the many twists and turns in her life At least that s what she says or is she just blowing smoke **Visions** Janie P. Bess,2008-08-18 A revealing memoir of a young woman mother and military wife who raised five children including David her eldest son who was born deaf and later was permanently blinded She writes about the struggles they endured **Mr. Gabe** Hershel Marise,2022-07-19 This book I pray expresses that the suffering a child endures because of a traumatic childhood does not have to be the determining factor in deciding the outcome of our lives The kind of life trauma a child or anyone goes through should not in any way determine their ability to overcome these traumas and have a productive adult life It is my belief that with a great Creator God and his divine intervention in our lives we as his children will be carried through life s traumatic experiences It is my belief that I and all of humankind were created for a great purpose The writing of this book or its purpose is not to gather sympathy but the opposite to explain that an individual does not have to allow their childhood or economic environment to set the standard for the rest of their lives In my childhood I attempted to subconsciously close myself off mentally or emotionally from what was occurring This denial allowed me a way of surviving through early life I called out to God the great Creator for help and guidance many times Without the help and the great love of God these traumas would probably have killed me from the shock From an early age and throughout my adult life I ve had to find ways to deal with my traumatic past With God and a drifter named Mr Gabe who showed up at all the right times like a guardian angel who seemed to know a lot about the same God my grandmother talked about I did survive throughout these traumas and have lived a relatively good life and achieved challenges that could only have been possible with God s love *Jara's Fate* Judith Anne Closs,2011-04-14 Jara s Fate is a book that celebrates Jara Bryan a young woman born in the town of Tilla Vermont You will fall in love with Jara s story as her innocence and enthusiasm for life will endear captivate and truly inspire the young and the young at heart Jara s imagination is boundless and contagious as she explores her love for writing as she explains I am doing what I was born to do write A passion only an artist can comprehend as not a choice but a way of life Jara is torn between two men a love she has known all her life and a
