partners but at its foundation the matter is far more complex than that Cultural and religious taboos intolerance and ignorance are all a part of the current global pre occupation with gay bisexual and trans gendered persons and these are all subjects that are explored and debated in *When Worlds Collide* *When Worlds Collide* Mike Blackaby, Daniel Blackaby, 2011-05-04 The media driven world places enormous pressure on people to conform to its secular point of view and young people are especially susceptible to this ploy Writing to a student audience authors Mike and Daniel Blackaby the grandsons of Experiencing God author Henry Blackaby explain how Christians typically respond to this pressure in one of three ways assigning names for each group Cave Ins are Christians who accept the world s values and compromise their faith or abandon it altogether Cave Dwellers are believers who fear the world and seek to insulate themselves from it and its influence as much as possible Colliders are the Christians who remain true to their faith yet effectively engage the world and are used by God to change peoples lives When Worlds Collide is the Blackabys case for becoming a Collider In chapters packed with story based devotional thoughts plenty of humor and easy steps for application they prove it s possible to live an authentic Christian life that meets the world head on without spiritual compromise *Invented Knowledge* Ronald H. Fritze, 2009-05-15 This incredible exploration of the murky world of pseudo history reveals the mix of proven facts informed speculation and pure fiction behind lost continents ancient super civilizations and conspiratorial cover ups as well as the revisionist historical foundations of religions such as the Nation of Islam and the Church of Jesus Christ of Latter day Saints Drawing on the best scholarship available Ronald H Fritze shows that in spite of strong mainstream historical evidence to the contrary many of these ideas have proved durable and gained widespread acceptance As the examples in *Invented Knowledge* reveal pseudo historians capitalize on and exploit anomalies in evidence to support their claims rather than examining the preponderance of research as a whole **The End** Laura Barcella, Jill Buck, 2012-07-24 You ve probably heard rumors that the end of the world is going to happen in the year 2012 But people have been making predictions about how and when the world is going to end for ages *The End* is a fun comprehensive pop culture read about the 50 top movies books songs comics artworks and plays from the movie *Shaun of the Dead* to the pop song *It s the End of the World as We Know It* that have been created about the apocalypse Each item includes A synopsis of the apocalyptic work Information about the apocalyptic theory behind it from alien invasion to meteors nuclear war and natural disasters An explanation about why this work is important in pop culture Love doomsday talk and the art that is made about it Check out this fun and entertaining read *An Exploration of Space 1999 Through the Lens of Video Games: Payne 1999* John K. sense of unease was expressed in the country's art notably these films In *Invasions USA: The Essential Science Fiction Films of the 1950s* Michael Bliss examines movies that stripped away the veneer of normality during a decade often portrayed as the last innocent period in American history From a boy's nightmares about his alien controlled parents and a young woman's fears that her fiancé has been replaced by an emotionless alien to an extraterrestrial visitor who comes to warn mankind about its self destructive ways the stories of these films offer a variety of messages both subtle and overt With detailed discussions and analyses of the films in question this book examines a unique group of movies with profound messages By exploring depictions of insecurities whether personal or political Bliss shows how science fiction films spoke to American audiences deeply troubled by their circumstances *Invasions USA* will appeal to science fiction buffs and film aficionados interested in this significant phenomenon in movie and cultural history
