Speaker Connection Conexión de los altavoces

English

This Speaker Connection explains how to connect the DVD player, TV, speakers, and sub woofer so you can enjoy multi channel surround sound from the DVD player. For details, refer to the operating instructions supplied with the receiver. Before you connect the speakers, check the speaker label on the rear panel of the speakers for the model name. Connect the speakers as shown in the illustration at right.

The front speakers, center speaker and sub woofer are magnetically shielded so allow it to be installed near a TV set. However, as the surround speakers are not magnetically shielded, we recommend that you place them slightly further away from a TV set.

Español

La sección "Conexión de los altavoces" explica cómo conectar el reproductor de DVD, un televisor, los altavoces y el altavoz potenciador de graves a fin de poder disfrutar de un sonido envolvente multicanal del reproductor de DVD. Si desea obtener más información, consulte el manual de instrucciones suministrado con el receptor.

Antes de conectar los altavoces, compruebe el nombre del modelo que se encuentra en la etiqueta del panel posterior de dichos altavoces. Conéctelos tal como se muestra en la ilustración de la derecha.

Los altavoces frontales, central y potenciador de graves están protegidos magnéticamente, por lo que se pueden instalar cerca de un televisor. Sin embargo, dado que los altavoces envolventes no están protegidos magnéticamente, es recomendable colocarlos a cierta distancia del televisor.
