Walker, 2012-02-03 Sites Unseen is no ordinary travel book Laura Walker takes the reader on an extraordinary journey to four great American cities Boston New York Chicago and San Francisco See well known landmarks like you've never seen them before as she shares her unique perspective as a blind woman travelling across the country Meet her intrepid companions who guide Laura along her way and soon discover there are perks of blindness Each chapter concludes with a few Sites Unseen Tips designed to humorously educate the reader about how to travel as a blind person as well as with one However as the author herself said This isn't just a HOW TO book it's much more of an I DID one Sites Unseen is more than a travel log of hilarious adventures from a woman of limited sight Laura takes special care to reveal new ways to see the world around us and encourages the reader to experience life and all its offerings Using her other senses including humor and imagination Laura engages with others and her surroundings head on sometimes literally *Counterpredators* Bill Kortenbach, 2012-12-14 Counterpredators is a modern solution to an ancient problem Parents face the overwhelming responsibility of training their children to navigate the threat environment and safely molding them into powerful self-aware authentic adults At the same time many parents do not themselves possess the necessary skill set and when their children sense this they begin to adopt questionable heroes and role models In the natural world animal parents train their young by repeatedly exposing them to hazard while demonstrating efficient risk

management yet our society teaches us to do the exact opposite Shelter and protect our children from whatever might harm them As a result many children are profoundly unprepared to deal with real threat Since both animal and human young are equally vulnerable it is easy to spot the weak link The unprepared human parent To solve this problem parents need to assume a powerful new identity something unique and elemental that rivets the attention and imagination of their children They must become counterpredators individuals who have the skill and the will to engage and overcome human threats Counterpredators is the story of how to achieve this transition using cutting edge methodology Survival Response Conditioning the re activation of dormant subconscious survival skills combined with high pressure scenario based experiences produces rapid permanent change and provides the launch pad for an unbreakable bond of love and respect between parents and children

The Stone DANIEL MALONE,2012-05-14 These are the chronicles of Derek Mann an archeologist historian and seeker of truth His journeys take him to exotic places and bring him face to face with many different cultures and people However in his quest for truth some of his most important discoveries come from his own heritage and as far away as his own backyard Derek finds people or rather people find him through the most amazing of circumstances and coincidences that it causes him to wonder if he wasn't led by a higher power Dr Mann and his family are placed in harms way because someone is searching for a forgotten stone he had received from a colleague and filed away some years ago Derek Mann is pulled into an adventure that changes his faith and ultimately he is compelled to share with the world the hope that lies within him
