Law's Documents Katherine Biber,Trish Luker,Priya Vaughan,2021-12-29 Illuminating their breadth and diversity this book presents a comprehensive and multidisciplinary view of legal documents and their manifold forms uses materialities and meanings In 1951 Suzanne Briet a librarian at the Bibliotheque Nationale in Paris famously said that an antelope in a zoo could be a document thereby radically changing the way documents were analysed and understood In the fifty years since this pronouncement the digital age has introduced a potentially limitless range of digital and technological forms for the capture and storage of information In their multiplicity and their ubiquity documents pervade our everyday life However the material intellectual aesthetic and political dimensions and effects of documents remain difficult to pin down Taking a multidisciplinary and international approach this collection tackles the question what is a legal document in order to explore the material aesthetic and intellectual attributes of legal documentation the political and colonial orders reflected and embedded in documents and the legal archival and social systems which order and utilise information As well as scholars in law documentary theory history Indigenous studies art history and design theory and practice this book will also appeal to those working in libraries archives galleries and museums for whom the ongoing challenges of documentation in the digital age are urgent and timely questions **Коммерсантъ (понеделник-пятница) 112-2015** Редакция газеты Коммерсантъ (понеделник-пятница),2015-07-17 *Transport and Mobility Futures in Urban Africa* Ransford A. Smythe,2015-01-12 Set against the backdrop of a windswept valley rolling hillsides and several disjointed suburban communities The New Bridge represents an amazing novel of intrigue suspense and compelling drama A hard working family oriented cast that was never able to completely think through periods of challenge and change desperately tries to put their lives back on track But their attempt at grappling with the heralding changes confronting them ends in spectacular failure It isn t surprising after years of effort that they fall back to their old routine of crime and violence There s only one problem Crime doesn t pay **Amnesia** Peter Carey,2015-01-13 The two time Booker Prize winner now gives us an exceedingly timely exhilarating novel at once dark suspenseful and seriously funny that journeys to the place where the cyber underworld collides with international power politics When Gaby Baillieux releases the Angel Worm into Australia s prison computer system hundreds of asylum seekers walk free And because the Americans run the prisons let s be honest as they do in so many parts of her country the doors of some five thousand jails in the United States also open Is this a mistake or a declaration of cyber war And does it have anything to do with the largely forgotten Battle of Brisbane between American and Australian forces in 1942 Or with the CIA influenced coup in Australia in 1975 Felix Moore known to himself as our sole remaining left wing journalist is determined to write Gaby s biography in order to find the answers to save her his own career and perhaps his country But how to get Gaby on the run scared confused and angry to cooperate Bringing together the world of hackers and radicals with the special relationship between the United States and Australia and Australia and the CIA Amnesia is a novel that speaks powerfully

Automobilism Gijs Mom,2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around
the world as the West's media driven car culture has contrasted with existing local mobilities from rickshaws in India and
minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has
been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an
adventure machine seems to lose cultural influence in favor of the car's status character *Autocar* ,2002
