Obviously, this guide should be in the box. But the box is so minimalist it just won't fit. New Apple users definitely need this book, though. We go through the main gestures, icons, settings, apps. But this guide will also be useful for the fans of iPhones, since the XS/XS Max is the latest iteration; furthermore, it has the new iOS. We will look into the new possibilities of iOS, learn to live without the Home button, figure out the new photo modes, share a lot of secrets with our readers, and of course, tips on how to use this new miracle of tech. This guide contains

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
