Ryan Kevin Boreham and Yun Jiang **review of automotive engineering** , The Pick-up Fiona Harris & Mike McLeish, 2021-06-01 Lizzie Sam and Megan are very different people who became best friends over good coffee and good laughs at school drop off Single mum Megan is contemplating a slightly scandalous relationship Newly divorced Sam is navigating the delights of online dating And Lizzie is flat out juggling four kids and an absent husband As if that wasn't enough this year the trio have decided to embrace their inner parent helper and volunteer to go on the annual school camp If they think their personal lives are chaotic this camp's going to teach them what chaos really means *Heartsick* Jessie Stephens, 2022-06-07 *Heartsick* unpacks the destruction of love by following the true stories of three lives altered by a major heartbreak I wrote this book for the person who doesn't want to be told that this too shall pass Not yet Who wants to sit with it And see it for what it is Who wants to know they're not alone That their pain is at once unique and universal Belonging to them and everyone When we're thrown into the chaos of heartsickness we focus so much on the end The fact we are now unloved seems so much more important than the reality that we once were This book was born in the hours I've waited for men to message me back and who never did In the years full of almost relationships I thought I cannot handle another rejection and then found myself turned down by someone I wasn't even sure I liked I wrote this book because I know what it is to feel fundamentally unlovable I knew when I was looking for Ana Patrick and Claire that their stories had to be true because within them would be nuances I'd never noticed before and realities I couldn't have invented I didn't want to be limited by what I happened to know about love and loss I wanted to learn from people as I wrote injecting wisdom from different places and genders and ages into this book Weaving together these three true stories Jessie Stephens captures the painful but wholeheartedly universal experience of heartbreak Deeply relatable addictive to the very last page and powerfully human *Heartsick* reminds us that emotional pain can make us as it breaks us and that storytelling has the ultimate healing power In the solitude that reading a book demands one is forced to reflect on one's own life After all every time we explore others we're mostly just exploring ourselves These are their stories Ana's and Patrick's and Claire's But it is also my story and our story I trust within it you will find echoes of yourself **Until the World Shatters** Daniel Combs, 2021-03-09 This first in depth piece of reportage about the largest natural resource heist in Asia reveals Myanmar's world of secret keepers and truth tellers In Myanmar where civil war repressive government and the 40 billion a year jade industry have shaped life for decades everyone is fighting for their own version of the truth *Until the World Shatters* takes us deep into a world in which journalists seek to overcome censorship and intimidation ethnic minorities wage guerilla war against a government they claim refuses to grant basic human rights devout Buddhists launch violent anti Muslim campaigns and artists try to build their own havens of free expression In the bustling city of Yangon we meet Phoe Wa a young photojournalist pursuing his dream at a time when the government is jailing reporters and nationalist voices are on the rise In Myanmar's far north we meet Bum Tsit who is caught between the insurgent army his family supports and the business and military leaders his

career depends on His attempt to get rich quickly leads him to Myanmar s biggest worst kept secret the connection between the jade industry and the longest running war in the world Until the World Shatters weaves Phoe Wa and Bum Tsit s stories to reveal a larger portrait of Myanmar s history politics and people in a time and place where public trust has disappeared
