General Reports of the XXth General Congress of the International Academy of Comparative Law - Rapports généraux du XXème Congrès général de l'Académie internationale de droit comparé Katharina Boele-Woelki, Diego P. Fernández Arroyo, Alexandre Senegacnik, 2020-12-17 This book explores convergences of legal doctrine despite jurisdictional cultural and political barriers as well as divergences due to such barriers examining topics that are of vital importance to contemporary legal scholars Written by leading experts from all continents its 26 chapters present a comparative analysis of cutting edge legal issues of the 21st century While each of the countries covered stands alone as a sovereign state in a technologically advanced world their disparate systems nonetheless show comparable strategies in dealing with complex legal issues Several of the chapters show how in addition to state normative production and state adjudication a growing panoply of non state instruments and non state adjudication are becoming more and more central to the legal field This book is a key addition to the library of any scholar wanting to keep abreast of the major trends in contemporary law Representing the current state of law in a vast range of areas it covers each topic from a comparative perspective Cet ouvrage en examinant des sujets d'une importance vitale pour les juristes contemporains traite des convergences de la doctrine juridique malgré les barrières juridictionnelles culturelles et politiques ainsi que des divergences dues à ces barrières critiquées par des universitaires de tous les continents ses 26 chapitres présentent une analyse comparative de sujets juridiques majeurs du 21^e siècle Dans un monde technologiquement avancé bien que chaque pays analysé dans cet ouvrage demeure autonome en tant qu'état souverain l'ensemble des systèmes disparates présente néanmoins des stratégies comparables pour traiter des questions juridiques complexes En outre plusieurs chapitres montrent comment en plus de la production normative et de la résolution des différends juridiques la panoplie croissante de différents types d'instruments juridiques et de résolution non juridique des différends devient de plus en plus centrale dans la sphère juridique Cet ouvrage est un ajout essentiel à la bibliothèque de tout universitaire souhaitant se tenir au courant des principales tendances du droit contemporain Il couvre un vaste domaine de sujets traités d'un point de vue comparatif et représente l'état actuel du droit dans chaque domaine

Assault on Mexican American Collective Memory, 2010–2015 Rodolfo F. Acuña, 2017-05-30 This book uses a micro narrative structure to explore the assault on the collective memory of Mexican Americans in the Southwest United States from 2010–2016 These communities' survival depends on their histories and identities which are being quickly erased by gentrification and dispersal neoliberalism and privatization This issue is most apparent in the education system where Mexican American students receive inferior educations and lack access to higher education Avoiding the overly theoretical macro narrative this book uses case studies and micro narratives to suggest possible changes and actions to address this issue It also explores how the erasure of Mexican Americans' history and identity mirrors society as a whole

Democracy and Education in Namibia and Beyond M. Amukugo, 2017-07-19 The Namibian constitution makes full provision for education as a fundamental human

right and freedom Three years into independence as part of the governments educational policy the Education for All Policy was launched as a stepping stone to free quality education However inequities have become widely pronounced within the Namibian educational system Democracy and Education in Namibia and beyond debates the educationdemocracy nexus in Namibia and the southern African context It defines and explores the meaning of democracy and related concepts It also looks at what democracy means in the context of human rights and access to education The ten chapters in this collection interrogate the strengths and limitations of education as an instrument of social change and question whether or not the Namibian educational objectives and practices do develop and help to sustain a democratic culture in Namibia The authors in the collection have drawn material from their own teaching and research experience across the fields of education and social science in Namibia and beyond and present their findings in a pedagogical framework suitable as a challenging text for tertiary students At a time when education is in crisis especially in South Africa where strident calls for free tertiary education and Africanisation of the curriculum are spreading like wildfire this book gives scholarly insight into the history and social conditions that gave rise to our current predicament
