

A composite image featuring a muscular man and a polar bear. The man, with dark hair and a serious expression, is shown from the chest up, looking towards the left. He has a very low body fat percentage, showing his abdominal muscles. To his left, a polar bear is partially visible, its head and front paws emerging from a dark, textured surface that looks like water or a thick layer of ice. In the background, a city skyline is visible under a hazy, yellowish sky. The overall tone is dramatic and surreal.

someone like her could be. A charming personality and appreciation for sappy music aren't the only things Maximilian Pearce is hiding and just when Bethany thinks she might get her very own happily ever after a shocking revelation forces her to make a heartbreaking choice. EXCERPT Max set his beer on the counter and moved into her personal space. She backed up until she was pressed against the wall, the hideous African mask next to her head laughing at her. He planted his hands on either side of her and leaned in as close as he could without touching her. His breath was a whisper in her ear, shivers of delight and desire standing the hairs on the nape of her neck on end. The tips of her breasts could almost feel the warmth of his chest longed to feel it and his musk confused her senses. Don't you know he breathed into her ear. His cheek brushed her hair and a lump rose in her throat. This can't be happening, she thought. Why the hell not? screamed Paul's voice in her head. He was right. Why the hell not? Her breath coming in shallow bursts and her heart thumping against her ribcage. Bethany lifted her face to his, meeting his hypnotic gaze. Tell me, she whispered. His luscious full lips curved upward. Because from the moment I saw you, I knew it was you. I wanted. Bethany groaned at his words and pressed her body into his, drawing a matching groan from him. All thought left her brain as their lips touched. Max pushed her back against the wall as his fingers buried themselves in her hair. His mouth consumed hers, leaving her breathless and quivering with lust. A well of emotion bubbled inside of her, making her head spin and her heart pound uncontrollably. Never before had she felt this way about someone, especially someone she barely knew. She clutched at his shoulders and biceps, reveling in their bulk and reassuring herself that she wasn't dreaming. She was having a hard time believing those arms were wrapped around her. And then they weren't. Bethany was left swaying against the wall when Max pulled himself away from her. It was clearly by sheer force of will, because his desire for her was quite evident at the front of his jeans. She blinked in confusion. She parted her lips to ask what had happened when he leaned in, gave her a peck, and smiled. Ready to eat.

Brock (BBW Bad Boy Billionaire Bear Shifter Romance) Becca Fanning, 2018-02-10. Bad Boy Billionaire Bear Shifter Brock Tandell is the new Mayor of New Orleans. Most are envious of what he has and what he's accomplished, but he will defend his Mate and rebuild his city against all odds, especially when a group of Human Supremacists come after them. Gia Carosa is about to start her new job as the administrative assistant to New Orleans's newly elected mayor Brock Tandell. Brock's life is already interesting enough, being a Bear Shifter, and all but it's about to get downright exciting as an anti-shifter group turns violent. There's a natural divide between the paranormal and the human, and mistrust is commonplace. So commonplace that The Human Order seems to have no trouble recruiting in its protest against shifters. But Brock and Gia will need to learn to trust each other in the face of unnerving odds if they are to escape this threat, and if there is going to be any chance of them finding love. Brock and Gia are left scrambling to defend their loved ones and each other in the face of a quickly growing threat that seems to be leaps and bounds ahead of them. To complicate matters, the chemistry between them is sure to put SCANDAL in the headlines. This full-length bear shifter paranormal romance novel has all the action, steam, and true love that only a Fated Mates story can deliver.
