Unbreak My Heart:

Unbreak My Heart Rhonda McKnight, Cameron Scott's reality TV show career is spiraling into an abyss. She's desperate enough to do almost anything to keep a roof over her head and provide the financial support that's needed for her daughter and ailing grandmother. When her estranged husband Jacob Gray reenters her life offering a lifeline, she realizes she still loves him. Cameron has kept a painful secret that continues to be at the root of the unspoken words between them. She's a woman of great faith, but regaining trust requires telling all and healing old wounds that she believes would destroy any chance for happiness they could have. Jacob Gray believed he'd spend the rest of his life loving his wife, that is, until he discovered she was pregnant and there was no way it could be his child. He tried to put Cameron out of his mind and heart, but five years have passed and he still loves her. Jacob risks everything, including his fortune, in hopes of getting a second chance at love. Though he quickly discovers Cameron's not interested in rekindling what they had years ago, will Jacob convince her to forgive the mistakes in their past and allow each other to heal their broken hearts? **Unbreak My Heart**

Toni Braxton, 2014-05-20 The bestselling solo R & B artist finally opens up about her rocky past and her path to redemption. While Toni Braxton may appear to be living a charmed life, hers is in fact a tumultuous story, a tale of personal triumph after a public unraveling. In her heartfelt memoir, the six-time Grammy Award-winning singer and star of WE tv's hit reality series *Braxton Family Values* is unapologetically honest in revealing the intimate details of her journey. Toni and the entire Braxton clan have become America's favorite musical family, but what fans may not know is the intense guilt Toni once felt when she accepted a recording deal that excluded her sisters. That decision would haunt Toni for years to come, tainting the enormous fame she experienced as a popular female vocalist at the top of the charts. Despite her early accomplishments, Toni's world crumbled when she was forced to file for bankruptcy twice and was left all alone to pick up the pieces. Always the consummate professional, Toni rebuilt her life but then found herself in the midst of more heartache. The mother of an autistic child, Toni had long feared that her son's condition might be karmic retribution for some of the life choices that left her filled with remorse. Later, when heart ailments began plaguing her at the age of forty-one and she was diagnosed with lupus, Toni knew she had to move beyond the self-recrimination and take charge of her own healing, physically and spiritually. *Unbreak My Heart* is more than the story of Toni's difficult past and glittering success; it is a story of hope of healing and ultimately of redemption. *Focus On: 100 Most Popular Billboard Adult Contemporary Number-one Singles* Wikipedia contributors,

Royal Holiday Emma Lea,2022-10-11 Lord Evan Anastas has lived as a recluse most of his life with good reason He shares the same surname as the country s worst traitors But the king has decided it s time for him to stop hiding It s time for him to step into his royal duties and that means getting up close and personal with the press But the king probably didn t mean this up close and personal On a diplomatic trip to Lemnos Evan meets Brooklyn and unbeknownst to him she is a member of the very press he has been avoiding To be fair Brooklyn doesn t know who he is at first She is a struggling travel blogger from New Zealand and reluctantly agreed to do a job for her previous employer She didn t know it would lead to her spending a month in a castle on an island she had never really heard of Or that meeting the reclusive count would upend her life

Christmas with the Billionaire Emma Lea, I got stuck in an elevator with a Christmas elf was not a sentence Zo Farraday ever thought she would have to utter Asking him to come home with her for Christmas and pretend to be her boyfriend was madness and her only excuse was the trauma of her near death experience by way of plummeting elevator Or

perhaps the way he filled out that elf costume momentarily melted her brain It may also have had something to do with her mother s meddling and the very real possibility of being set up with one of her dad s colleagues that pushed her over the edge She didn t think he d accept This is a standalone sexy billionaire romance no cliff hanger This book is set in Australia and uses Australian UK English *The Blind Date* Emma Lea, 2023-06-30 It is a truth universally acknowledged that if you go on a blind date and it ends badly then you will invariably meet that person again at the most inopportune and awkward moment Okay so that hadn t happened in the past and Charlie had been on blind dates before but it seemed that this time the universe had it in for her She hadn t even wanted to go on the blind date in the first place Her best friend Evie had begged her to go in disguise of course Evie had bribed her with luxury items and who was Charlie to turn down the opportunity to give a good home to a poor homeless designer handbag It was supposed to be an in and out She was just required to make sure the guy never wanted to see Evie again Fine No problem Charlie had done it before but this was the absolute last time she was going to do her friend this particular favour But of course the universe had other ideas and her blind date turned out to be her new boss **In Our Own Time** Emma Lea, A one hour cosy romance with a hint of spice Finn and Elizabeth are

roommates so what if Elizabeth has had a crush on him since she was a teenager Finn is also Elizabeth s brother s best friend her twin brother She knows there could never be anything between them except maybe the attraction isn t one sided after all This is a short story but it is a complete story no cliffhangers **That one Time** Emma Lea, A one hour cosy romance with a hint of spice Anna and Damon hooked up once years ago but then Damon disappeared and Anna never heard from him again Okay so maybe Anna had purposely avoided him after she woke up and found him gone from her bed without leaving a note When they find themselves face to face after more than a decade will they get the answers they ve been looking for This is a short story but it is a complete story no cliffhangers The Billionaire Replacement Emma Lea, It was just supposed to be a

mutually beneficial arrangement Declan would be her replacement boyfriend and she would pretend to be his girlfriend to get his mother off his back No one was supposed to fall in love Declan was just being a nice guy He saw a woman in need of assistance and he stepped in and pretended to be her fianc It was just the kind of guy he was a knight in shining armour ready to rescue the damsel in distress It was only fair that she return the favour when he found himself in need of a fake girlfriend It wasn t meant to go anywhere It was a mutually beneficial arrangement and they both knew the rules going in This is a standalone sexy billionaire romance no cliff hanger This book is set in Australia and uses Australian UK English

Over Time Emma Lea, A one hour cosy romance with a hint of spice Rebecca and Ethan have worked side by side for years He s the best personal assistant she has ever had and she doesn t want to do anything to jeopardise that But when she desperately needs a date for her cousin s wedding the only man she can turn to is Ethan The last thing Rebecca wants is to be a cliché but being with Ethan outside the office ignites something within her within them both Maybe there s more to their working relationship than they both thought This is a short story but it is a complete story no cliffhangers
