**Pentecostal Exorcism** Opoku Onyinah,2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer [Major Spiritual Warfare and Deliverance Ministry Principles](#) Eric Gondwe,2006-11-11 255 pages Please note This is the Second Edition of the book Third Editions are now available in two separate books one on Spiritual Warfare Principles and another on Christian Deliverance Principles Third editions are extensively revised and updated versions due to reader recommendations on additional content To go to the third editions please click on the author s name above or click on the appropriate book title link above depending on which page you re on *Killing Me Softly* EBENEZER GYASI,2006-04-19 When we look around us we find so much suffering in the world that we cant help but ask Why Long time ago God in Hosea 4 6 lamented that his people were being destroyed for the lack of knowledge His people are still being destroyed today The question again is Why In John 10 10 Jesus said the devil comes into our lives not to do anything but to steal kill and destroy As believers Jesus has given us the authority over all the powers of the thief murderer destroyer and our real enemy Satan also known as the devil Somehow we seem to have forgotten our spiritual heritage our spiritual rights and responsibilities and therefore the devil has taken undue advantage of our ignorance This book along with the companion end time spiritual warfare prayer book Target or Weapon The Prayer

**Back To Basics** Jodie Hoagland, 2024-07-17 People are all so hurt and broken We want peace and joy that is supposed to come through Jesus Christ but wonder why we are so miserable and full of chaos and turmoil Many assume this is just Christianity that this is all Jesus is So what is the point of giving my life over to this We need answers on how to seek Jesus and truly find Him and how to fix what is broken inside We need to learn how to apply the principles of Scripture to our lives so that we can truly be free rather than looking to all the other things of the world Christianity has been so skewed over the last several generations that it is hardly recognized The church rarely calls out and exposes satan and never teaches how to fight We are told not to give him place in our lives yet are not taught how to keep him from having a place in our lives This book is a raw look at the truth of Scripture that got Jesus crucified We need to relearn the word of God and break the strongholds of lies that have been put upon us It is time we get back to basics of Scripture and learn Christ s truth the way He intended it to be He loves you so
