of Western philosophy from one of the world's best known public intellectuals New York Review of Books For the last two centuries Western philosophy has developed in the shadow of Hegel an influence each new thinker struggles to escape As a consequence Hegel's absolute idealism has become the bogeyman of philosophy obscuring the fact that he is the defining philosopher of the historical transition to modernity a period with which our own times share startling similarities Today as global capitalism comes apart at the seams we are entering a new period of transition In Less Than Nothing the product of a career long focus on the part of its author Slavoj Žižek argues it is imperative we not simply return to Hegel but that we repeat and exceed his triumphs overcoming his limitations by being even more Hegelian than the master himself Such an approach not only enables Žižek to diagnose our present condition but also to engage in a critical dialogue with key strands of contemporary thought Heidegger Badiou speculative realism quantum physics and cognitive sciences Modernity will begin and end with Hegel **Athenaeum and Literary Chronicle** ,1867 **The Illustrated American** ,1891 **Knots**

Nuruddin Farah,2007-02-01 From the internationally acclaimed author of North of Dawn comes a beautiful hopeful novel about one woman's return to war ravaged Mogadishu Time Called one of the most sophisticated voices in modern fiction The New York Review of Books Nuruddin Farah is widely recognized as a literary genius He proves it yet again with Knots the story of a woman who returns to her roots and discovers much more than herself Born in Somalia but raised in North America Cambara flees a failed marriage by traveling to Mogadishu And there amid the devastation and brutality she finds that her most unlikely ambitions begin to seem possible Conjuring the unforgettable extremes of a fractured Muslim culture and the wayward Somali state through the eyes of a strong compelling heroine Knots is another Farah masterwork

Journal of Gas Lighting ,1927 The Ringmaster's Wife Kristy Cambron,2016-06-07 An ounce of courage A leap of faith Together they propel two young women to chase a new life one that's reimagined from what they might have become In turn of the century America a young girl dreams of a world that stretches beyond the confines of a quiet life on the family farm With little more than her wit and a cigar box of treasures Mable steps away from all she knows seeking the limitless marvels of the Chicago World's Fair There a chance encounter triggers her destiny a life with a famed showman by the name of John Ringling A quarter of a century later Lady Rosamund Easling boards a ship to America as a last adventure before her arranged marriage There the twenties are roaring and the rich and famous gather at opulent Gatsbyesque parties The Jazz Age has arrived and with it the golden era of the American circus whose queen is none other than the enigmatic Mable Ringling When Rosamund's path crosses with Mable's and the Ringlings glittering world she makes the life altering decision to leave behind a comfortable future of estates and propriety choosing instead the nomadic life of a trick rider in the Ringling Brothers circus A novel that is at once captivating deeply poignant and swirling with exquisite historical details of a bygone world The Ringmaster's Wife will escort readers into the center ring with its bright lights exotic animals and a dazzling performance that can only be described as the Greatest Show on Earth Vibrant with the glamour and awe that flourished

T. P.'s Weekly Thomas Power O'Connor,Holbrook Jackson,1912 **Good Health** ,1909 **Operation & Maintenance** ,1909 **In The Year of Jubilee** George Gissing,2024-12-27 In the Year of Jubilee by George Gissing is a compelling and insightful novel set in the backdrop of late 19th century England Through the story of its protagonist the novel explores the themes of social class moral dilemmas and the tensions between personal desires and societal expectations The plot centers around the life of a young man Arthur who is caught in the struggle to break free from his working class roots and secure a better life for himself As he navigates his way through the complexities of social mobility Arthur finds himself at a moral crossroads confronted by choices that will shape his future At the heart of the story is the conflict between personal ambition and the rigid class structures that define Victorian society The novel's title In the Year of Jubilee refers to the biblical concept of a year of release where debts were forgiven and social structures were temporarily reset However in Gissing's interpretation the year of jubilee is symbolic of the fleeting moments of freedom and the potential

for personal reinvention within the confines of a society that limits individual freedom based on class Gissing's characters are trapped in a world where their choices are constrained by economic and social forces making it difficult to break free from the expectations placed on them by their social standing Throughout the narrative Gissing masterfully examines the moral implications of ambition and desire Arthur's struggles are mirrored in the lives of other characters who must grapple with their own dreams and the societal pressures that hold them back The novel portrays a society that values appearances wealth and social status and it reveals the human cost of trying to rise above one's station Gissing's sharp social commentary critiques the inequalities of the class system highlighting the struggles of those who seek to overcome their circumstances but face insurmountable obstacles *In the Year of Jubilee* is a thought provoking exploration of the consequences of social mobility and the desire for personal freedom Gissing's portrayal of characters caught between their ambitions and their limitations offers a poignant reflection on the complexities of human nature and the societal forces that shape individual destinies The novel remains a powerful commentary on the social challenges of the Victorian era as well as an enduring examination of the human condition and the search for personal fulfillment in an unequal society **In the Year of Jubilee**
