Dr. Dorinda Smith, 2023-05-22

Finding Jesus in the Word

Using Similar Sounding Words of the Bible is a thirty day daily devotional

It is unique in that it uses pairs of similar sounding words such as hair and hare to form the subject matter of the day's discussion

It is not unusual to find words that sound alike having different meanings when studying the Bible

The focal point of the book is that Jesus is the Word

Jesus can be found in everyday words if we just look deeper

Included for the Bible scholar and the inquisitive is the Hebrew Old Testament or the Greek New Testament words and definitions for each day's devotion for more in depth Bible study

Uncover multi layered treasures of the Word of God as you read this one of a kind devotional

God

Anthony Wharton, 2012-06-08

All men of all nations must return to their true source and roots of manhood by the Spirit of God and His Word

The women are not left out because they play a wonderful role in men being all that they can be for Jesus and His plan for their lives

The man has to contend with many things that are working against him from the past present and future but when he is connected to his true roots he has the greater power working for him than what is against him

The man is more than a conqueror

The prophecies are for the man and the whole Body of Christ that he belongs to so they can know what God is doing in the nations and what he will do in the future

The man the church and the leaders can position themselves with God and His Son Jesus the Christ for a better nation

All nations have a season of judgment and all nations have a season of blessings so the man and his nation can position themselves with the True and Living God
