She must track down former Navy SEAL Miles Duncan and ask for his help. Miles holds the key to completing her undercover assignment and proving she's no traitor, but he also holds a grudge. Getting him to forgive her may be the most challenging mission of her life. Charlotte is his fantasy woman. She's also the biggest mistake of his career. He was supposed to hunt her down. Instead, Miles ended up at the mercy of the sexy, mysterious MI6 agent who left him without so much as a goodbye after their six-week love affair in the Carpathian Mountains. Back in the States and working as an operative for Shadow Force International, Miles has been searching for Charlotte ever since, and so has everyone else. She's a traitor to her country, and she may be responsible for the deaths of his SEAL teammates a year ago. Together, they can save the world. Or destroy each other. When Charlotte shows up on his doorstep asking for help, Miles knows better than to get involved. She's determined to go back to Romania, with or without him, however, and he knows she's walking into a deadly trap. After the 2008 election and 2012 reelection of Barack Obama as US president and the 1994 election of Nelson Mandela as the first of several blacks to serve as South Africa's president, many within the two countries have declared race to be irrelevant. For contributors to this volume, the presumed demise of race may be premature. Given continued racial disparities in income, education, and employment, as well as in perceptions of problems and promise within the two countries, much healing remains unfinished. Nevertheless, despite persistently pronounced disparities between black and white realities, it has become more difficult to articulate racial issues. Some deem race an increasingly unnecessary identity in these more self-consciously post-

racial times The volume engages post racial ideas in both their limitations and promise Contributors look specifically at the extent to which a church s contemporary response to race consciousness and post racial consciousness enables it to give an accurate public account of race *An English-Indonesian Dictionary* John M.
