

Undergraduate Application Form At Uganda Christain University 2015 2016

Zacharias Tanee Fomum

Undergraduate Application Form At Uganda Christain University 2015 2016:

The Uganda Gazette Uganda,2018-07-13 **E-Learning, E-Education, and Online Training** Giovanni Vincenti,Alberto Bucciero,Carlos Vaz de Carvalho,2016-01-13 This book constitutes the proceedings of the Second International Conference on E Learning E Education and Online Training eLEOT 2015 held in Novedrate Italy in September 2015 The 26 revised full papers presented were carefully reviewed and selected from 52 submissions They focus on e learning and distance education in science technology engineering and math Rediscovering Jesus in Our Places Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches **Brokenness** Zacharias Tanee Fomum,2015-07-20 BROKENNESS by Professor Fomum is a real classic for walking the Christian life with total abandonment to the Lord After the new birth a man s spirituality is not measured by his capacity to preach great sermons to cast out demons or to heal the sick Such capacities could be the manifestation of spiritual gifts which are received from God regardless of who the person is Such a person may be totally unrecognizable at the slightest provocation be selfish and self centred love sin hide or blame others for his mistakes and failures get worried when faced with the least problem and act before he has prayed about it etc This talks of an unbroken life in which unfortunately most believers who truly confess the name of the Lord find themselves several years after conversion The purpose of God in the new creation is to produce people who attain spiritual maturity by quickly attaining the stature of broken men and women God does it through the cross to break and destroy the natural man and by the work of the Holy Spirit to build the character of Christ in the believer Brokenness therefore depends on the degree to which a person has allowed the cross and the Holy Spirit to work in him Taking Jacob s life as a basis the author shows how one can go from the state of the natural man unconverted to that of a

carnal believer unbroken then to that of a spiritual believer broken that is a life in which the believer belongs totally to the Lord allows free access to God in the minutest details of his life no longer presents any obstacle to God Read this book It will challenge you and help you to make progress on the pathway of brokenness to such an extent that you will soon be able to confess with apostle Paul It is no longer I who live but Christ who lives in me

The Ministers And The Ministry of The New Covenant Zacharias Tanee Fomum,2015-08-07 A revolutionary cure This book is a revolutionary cure In its preface author Z T Fomum says these are messages taught at a time when the church was registering an increasing number of young ministers Since the ministry depends on the quality of ministers who are available to the Lord it was a question of presenting to the young ministers in the light of the Scriptures ways and means for the foundation of a glorious ministry by equally glorious ministers radically separated from self and sin and totally surrendered or given to the Lord This is the purpose for which this book is published It is an outline of the fundamental principles for ministry in perfect holiness and from a position of renunciation a revolutionary cure

Are You Still a Disciple of the Lord Jesus? Zacharias Tanee Fomum,2015-08-08 In every race the prize is awarded to those who run to the end You might have started as a disciple of the Lord Jesus That was a good beginning However I ask Are you still a disciple of the Lord Jesus The testimonies and message in this book will help you to situate yourself and by the grace of God return to being a disciple of the Lord Jesus if you have backslidden If you have never been a disciple of the Lord Jesus this book will help you to become one Even if you think that all is going well with you read the book in order to help others who may be in need May the Holy Spirit the Revealer of the Lord Jesus Christ draw close to you and help you to see things clearly as you read and to act on this message With every blessing in our Lord s wonderful name

The Centrality of Prayer Zacharias Tanee Fomum,2015-03-13 This book The Centrality of Prayer is a compilation of messages given in Yaound in August 2007 by Professor Fomum within the framework of the World University Prayer and Fasting to over 2000 brethren of our Work CMFI coming from Cameroon and many nations This book which was written from notes taken as it was being preached without any editing from the author expresses the burden which the Professor had to communicate to Christian workers the central place of prayer in any of God s work It treats amongst others topics The veil which prevents the unbelievers from coming to the salvation of Jesus Christ The veil which prevents them from seeing the need of prayer The responsibility of the leader to tear this veil by fasting and prayer The responsibility of the body of Christ and the body of elders Prayer that originates from the heart of God etc These messages are not theological debates on these themes but are words from heart to hearts Hence they are very practical and treats subjects like handling of the prayer book etc In addition the contributions from many field leaders make this book a real inner history of our work and enables us to experience the atmosphere that prevailed during the course We strongly recommend this book to the body of Christ entirely for the problems treated in it are similar and the proposed solutions are useful to all May the Lord bless you abundantly as you read this book

A Missionary Heart and a Missionary Life Zacharias Tanee Fomum,2015-02-17

Professor Zacharias Tanee Fomum through this book communicates his burden of bringing the people of God back to the missionary purposes of God. The heart of the missionary and the life of the missionary find their origin, basis and model in the Heart of God. He is a missionary God. The heart of the missionary and the life of the missionary is to be judged, seen and appreciated by the way God judges, sees and appreciates them. God wants to produce people who see the world as He sees it, people who continually live under the constraint of God's missionary needs, people who dream of God's mission fields every night and work there every day to make sure that the missionary purposes of God are fulfilled. The Purpose of this Book is for many to go out as missionaries with correct hearts and correct lives equipped for permanent and productive work. This book is highly recommended to all believers. **The Way of Victorious Praying** Zacharias Tanee Fomum, 2015-02-22. A

Foundational Book on The Spiritual Art of Prayer. Deeply rooted in the Bible, *The Way of Victorious Praying* by Zacharias Tanee Fomum is a textbook both on the theory and the practice of prayer. From the beginning, Zacharias Tanee Fomum brings the reader into the prayer life of the Lord Jesus and outlines the devil attacks on prayer and the believer's way of victory. Further on, he explores topics like Praise and thanksgiving, Importunity, Intercession, Fasting, Praying with the Spirit. The book ends with a teaching on how to pray for the local church and gives some practical issues with regards to prayer. As such, *The Way of Victorious Praying* is a foundational book on prayer. All the other books on prayer written by Z. T. Fomum are an expansion of one or other aspect handled in this book. *The Way of Victorious Praying* is a manual of prayer, a guide to the ordinary individual in his search for truth and his need to establish contact with God. It will inspire and instruct believers, churches, prayer and intercessory groups in the spiritual art of prayer. Read this book and you will be challenged not only to pray but to become a man or woman of prayer. And then you will rejoice to see your prayer answered. May the Lord bless you as you obey the message. *Victorious Dispositions* Zacharias Tanee Fomum, 2015-06-27. In this book, Z. T. Fomum shows us the skills and mindset to develop to ensure our success and plunge into God's purposes. So the first secret in knowing and serving God is hard work. Life in a way is a game. It is a matter of choice and everyone is called upon to make choices. Being a failure or a success may depend on your choices. Your heart will determine your greatness or your defeat. Throughout his argument, the author describes a whole set of measures and means to achieve this goal. This book is a must for you. *The Art of Intercession* Zacharias Tanee Fomum, 2015-02-19. You Can Be an Intercessor. To intercede is to truly pray with power. How do you know God is not calling you to be an intercessor? As you read this book with its study of the great intercessors in the Bible from Abraham and Moses to Daniel and Nehemiah to Paul and Epaphras to Jesus himself, you will never be the same again. You will catch a new glimpse of the importance of intercession. You will see the great need for intercessors and understand if God is calling you to be one. Above all, with all the Biblical models presented, you will be challenged to join this godly company. The challenge is disturbing as the reader realizes how short of the mark is even the most spiritual of Christians. writes Dr. Lester Sumrall in his Foreword. Dr. Fomum practices what he teaches as do some churches in Cameroon.

Who of us prays for several hours each day Who among us fasts and prays in spiritual warfare for From 21 to 40 days at a time several times per year This book is MUST reading for the serious Christian Discipleship at Any Cost Zacharias Tanee Fomum,2015-08-07 Discipleship at any cost is the very first book written by Professor Fomum when he started out as a Christian Author in 1976 This book therefore reflects the original thought of the author As clearly outlined in the book Professor Fomum s basic message has not changed From the start it was the power of a man s all Today it is still the power of a man s all The different topics covered in this book are the price to pay to be a disciple the foundations of the disciple s life the purpose of the disciple s life the disciple s sufferings and the disciple s reward Read this book and you will be challenged and encouraged to follow the Lord whole heartedly Fifteen Minute Prayer Retreats Zacharias Tanee Fomum,2015-03-23 Fifteen minutes is a lot of time A lot can happen in fifteen minutes Someone may not be able to find time to pray for one hour in a stretch in the morning afternoon or evening For others if they found time they might not know how to use it Each of these groups of people can use the suggested programme for fifteen minute retreats that are in the following pages and find their prayer life transformed We have used the fifteen periods of one minute each since most believers will be able to have enough to talk to the Lord about any topic for one minute whereas some believers may not have enough to say to the Lord about a topic for three minutes **The Use of Time** Zacharias Tanee Fomum,2015-05-17 This book can change an entire community It s both a revolting and revolutionary message Z T Fomum the author defines time as one of the most precious gifts that God has given to man Since time is a gift from the Lord the author is convinced that its correct use cannot be separated from a deep knowledge of God and His will Decent use of time requires careful planning through the development of a timetable that devotes the best hours to the priority things of life in accordance with the revelation of God and the work that the Lord entrusts to us By an analytical demonstration with estimated figures the author convinces us of the dangers which the loss of time involves even in the smallest proportions both in time and in eternity In this book you will find some accounts of the use of time of the author and others **A Word To The Students** Zacharias Tanee Fomum,2015-03-26 In this book A Word to the Students Professor Fomum based on his personal testimony makes it clear that the student life is not incompatible with a rich spiritual life Rather academic excellence depends on the priority the student gives to God during his student years This book overturns many misconceptions supported by Christians to justify their mediocrity at the University Indeed the student years are the most determinant because it is the time a person ought to walk with God with all his strength and invest his all in his studies The author argues that the best certificates are for believers and gives the secret in this book Indeed if God has destined you for university studies you have to honour Him by putting in your best efforts to achieve the results that God expects of you Among the obstacles to a successful academic life the author cites among others 1 The lack of a sense of destiny 2 Emotional entanglement 3 Etc Read this book and may you be blessed Yearbook of International Organizations 2014-2015 (Volume 3) Union Of International Associations,Union of

International Associations,2014-08-20 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Volume 3 allows readers to locate organizations by subjects or by fields of activity and specialization and includes an index to Volumes 1 through 3
