Brown, 2012-11 Through the unique format of this text David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God The following is just a sample If Babylon was destroyed by the Persians how can it be destroyed again How important are truth and justice today But what is justice when it comes to God and us Just what does it mean to fear God Exactly who are the beast and false prophet When one thinks of heaven what is the picture that comes to mind How many people can heaven hold If over 2 000 years have passed without Christ's return what assurance is there that He will return

**The Day of The Lord Commentary** Greg Hinnant, 2021-08-10 The Old Testament is richly laden with prophecies and foreshadowings of the last days Having never researched its treasures however many Christians possess a lopsided exclusively New Testament understanding of End Times prophecy The Day of the Lord Commentary meticulously examines every Old Testament text foretelling or foreshadowing the dramatic people and events that consummate God's prophetic plan terminate this world order and inaugurate Christ's unprecedentedly righteous peaceful worldwide kingdom on earth Only the Bible accurately interpreted establishes accurate End Times views This commentary's abundant biblical cross references lay a deep broad foundation for a clear accurate eschatology It will amaze you how often and how specifically Old and New Testament prophets agree All see the same final events and in the same order Tribulation Armageddon Millennium This in depth study gives special attention to the Old Testament's less known little apocalypses in Isaiah Jeremiah Ezekiel Daniel and Zechariah and identifies their many links to John's well known apocalypse Revelation Soundly refuting Supersessionism it explains why God has regathered the Jews reestablished the State of Israel and preserved it against all odds Israel's Day of the Lord is coming

Book Review 1 Greg Hinnant's monumental work The Day of the Lord Commentary is a must read for anyone interested in the final summation of End Times events Greg takes the reader on an extraordinary journey through the Old Testament with three dimensional glasses that allows one to see direct references and indirect typology concerning the great drama of redemption as it moves to its conclusion This may be the foremost study of its kind on this topic Dr Charles H Gauden Old Testament Professor Southeastern University Book Review 2 It is exceptionally common in eschatological study to focus almost exclusively on the New Testament yet such an approach ignores Paul's admonition that all scripture is inspired 2 Timothy 3 16 17 The Day of the Lord Commentary provides a systematic overview of important references to the impending Day of the Lord found throughout the Old Testament and weaves these prophetic expectations into one seamless tapestry throughout the whole Bible Dr Ran Whitley DMin PhD Professor Campbell University Book Review 3 Though a Bible student all my life certain passages remained obscure and confusing The Day of the Lord Commentary has changed all of this as these formerly confusing passages have now come alive This book's depth and insight

into the Old Testament is astounding How Greg was able to mine through all the rock and rubble of confusing Bible prophecy to access these precious stones of biblical revelation is truly a gift This work is a must read for all who desire a deeper understanding of God s Word and a valuable resource for ministers to shed light and understanding on the gospel message we proclaim Sherri Leith Senior Pastor Family Worship Center Port Orchard Washington Book Review 4 The Day of the Lord Commentary provides an in depth study of biblical eschatology Using a detailed comparative analysis of the eschatological oracles scattered throughout the Hebrew Bible Greg lays out a theological roadmap for understanding God s plan for Israel and the nations This book written from a Christian perspective tackles some of the most intriguing End Times prophecies recorded in Israel s sacred scriptures Pastors preachers and Bible teachers will greatly benefit from this thought provoking volume Dr Igal German Founding Director Yesod Bible Center and International Biblical Apologetics Association

Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **A Box Seat to the End Times** Ron Teed,2016-03-29 This commentary provides detailed analysis of the book of Revelation In customary form Pastor Ron Teed s work will aid the general reader as well as students and pastors looking for an easy to read and understand yet in depth discussion of the book of Revelation and End Time prophecy Teed unpacks the text verse by verse while remaining true to the scriptural content The commentary analyzes popular conceptions of the rapture the millennial kingdom the 144 000 and the antichrist while testing them against Scripture providing a vivid portrait of each scene of John s apocalypse Teed s insights and exposition will aid the general reader as well as students and pastors

**After Dispensationalism** Brian P. Irwin, 2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In After Dispensationalism Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people
