**When Doing It All Is Undoing You** Alyssa Joy Bethke, 2024-09-17 Discover the power of following God's word with this transformative guidebook that gives you permission to let go of the emotional stress weighing you down and find beauty in the life you already live Feeling fragmented and frazzled many women today are caught in a vicious cycle trying to do too much hold everything together manage and control their circumstances and avoid mistakes at all costs But no matter how hard we try there are many things outside of our control In trying to do it all we are undone ourselves What if we could shift our perspective so that instead of spinning our wheels wasting energy manufacturing and controlling our lives we aim to let go and lean into who we are

becoming In When Doing It All is Undoing You Alyssa Bethke helps readers understand the difference between what is in and what is out of our control and she examines how our striving for approval balance happiness and lofty ideals often masks underlying fear and disappointment She acknowledges that even when we do all the right things the outcome we hope for is not guaranteed and addresses the disillusionment so many of us feel when the life we have looks nothing like the life we envisioned Ultimately Alyssa shows readers that turning towards the God who is after our authentic hearts is the only guarantee of a life of hope and fulfillment the life we are all longing for By drawing near to God as the primary source of our joy and contentment we can learn to hear His voice find freedom and hope in our deep disappointments and become the women that He created us to be free full and faithful Scientific Canadian Mechanics' Magazine and Patent Office Record Canada. same rhythm as butterfly Today's lyricists and poets know that there is so much more to the flow of their creations than just matching vowels The Word Rhythm Dictionary organizes words by additional properties phonetic similarity alliteration and literary consonance the number of syllables in words and syllable stress patterns Never has it been easier to locate words that feature similar sounds matching meters and rhythmic grooves from traditional rhymes like clashing and splashing to near rhymes like rollover and bulldozer unrefuted undisputed to pure metrical matches like biology and photography Additional appendixes allow readers to search according to poetic metrical feet and musical rhythm through a visual index of notated rhythms allowing musicians and lyricists to track down words that match preexisting motives and melodies This book could become the new fun addiction or addiction affliction constriction conviction conniption prescription subscription conscription for writers musicians lyricists rappers poets and wordsmiths alike Oh and it's a lot of fun just to browse
