Department of Printed Books, British Library, Laureen Baillie, 1981 **The New Avengers** Jacinda Read, 2000-12-15 Jacinda Read studies the rape revenge film and suggests that the rape revenge cycle can be read as one of the ways in which Hollywood has attempted to make sense of feminism and the shape of heterosexual femininity in the post 1970 period The Broadview Reader - Third Edition Jane Flick, Herbert Rosengarten, 1998-02-16 This new edition includes most of the essays that have made The Broadview Reader one of the most popular first year textbooks in Canada and adds 18 fresh selections As before essays are gathered into groups by topic but the editors also provide alternative tables of contents by rhetorical patterns and devices and by chronology Each selection is followed by a wide range of questions and suggestions for discussions and the reader also includes a glossary and biographical notes Most of the new selections are of recent vintage but in recognition of the degree to which modern issues often have a long and honourable history the editors have also added several selections by nineteenth century writers Also the reader now includes a full section on Women in Society The book's balance of Canadian and non Canadian writers has been maintained as has the range of different styles and different essay lengths that are included In all the new edition includes 80 selections **The Multimedia and CD-ROM Directory**, 1998 *The Days of James III, 1488-1513* George Gregory Smith, 1890 *TLA Video & DVD Guide 2005* David Bleiler, 2005-06-25 The TLA Video and DVD Guide 2005 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign and the best of Hollywood to bring the cineaste an opinionated guide that is both fun and useful The guide includes Reviews of more than 10 000 films Four detailed indexes by star directory country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A comprehensive selection of cinema from more than 50 countries Now published annually the TLA Video and DVD Guide is one of the most respected guides from one of the finest names in video retailing perfect for anyone with an eclectic taste in cinema *The Saturday Review of Politics, Literature, Science and Art*, 1902 A Book of Prefaces H.
