since 1969 is devoted to the recording summarizing and indexing of astronomical publications throughout the world It is
prepared under the auspices of the International Astronomical Union according to a resolution adopted at the 14th General
Assembly in 1970 Astronomy and Astrophysics Abstracts aims to present a comprehensive documentation of literature in all
fields of astronomy and astrophysics Every effort will be made to ensure that the average time interval between the date of
receipt of the original literature and publication of the abstracts will not exceed eight months This time interval is near to
that achieved by monthly abstracting journals compared to which our system of accumulating abstracts for about six months
offers the advantage of greater convenience for the user I 1980 some older Volume 27 contains literature published in 1980
