Uncommon Sense A Prophetic Manifesto For The Church In Babylon:

Uncommon Sense S. Douglas Woodward, Douglas Krieger, 2014-10-20 In this volume S Douglas Woodward with contributions by his friend and co author Douglas W Krieger co authors along with Dene McGriff of The Final Babylon provides for the reader s consideration what he asserts is uncommon sense Gathering seven essays from his various books and updating them into a synergistic manifesto Woodward argues that Americans lack an understanding of why our nation has wandered down a path to ruin Short of repentance and revival Woodward argues that America stands destined for disaster The essays cover a broad spectrum of seldom known facts of our national story that tell the unvarnished history of the past two hundred years right up to the present day America has a penchant for the paranormal leading the world through its New Age gospel propagating an overt mysticism the morass of the occult worldview and a technological defense for spiritualism that proposes an extraterrestrial explanation for why we exist The economic enslavement of our world through foreign aid that casts third world nations into endless debt finances totalitarianism to keep the oppressed in their place and bespeaks corruption that enriches the elite and impoverishes everyone else The destruction of national sovereignty spurred by Nazi renegades from justice six decades ago assisted by the Vatican s ratlines and arguably at the behest of old world monarchies The separation of church and state leading to the capitulation of Christianity in the face of a war against the weak the abrogation of human rights and individual liberty personified by Adolf Hitler and destined to be repeated in our day by the figure the Bible calls Antichrist A deception of lying wonders which may be disclosed at the revelation of this Antichrist as a means of promising hope for the future and potentially immortality through the scientific advances known collectively as transhumanism The devolution of evangelicalism into a new mysticism promising divinity to the masses by the elimination of doctrinal distinctions and the promise of inclusiveness and tolerance Uncommon Sense A Prophetic Manifesto for the Church in Babylon provides an analysis of what went wrong and what we must do about it It calls upon true Christians to recognize the apocalyptic times in which we live and the need to proclaim the imminent coming of the Kingdom of God an indispensable element of the gospel of Jesus Christ and the only true hope for lasting change in our culture our society and the personal lives of everyone on this planet

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today

since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Isaiah Ivan D. Friesen, 2009-06-30 Ivan Friesen explores how the interpretation of the book of Isaiah is carried out and lived out today in faith communities where the Bible is the bedrock of faith and life Such an interpretation combines the concerns of pastoral care with the distress and uncertainty of prophetic action The commentary groups the sixty six chapters of Isaiah into six distinct but continuous parts

Each part may be explored as one might explore the room of a house The furnishings themes in each room are different but the decor structure of the house combines to lend to the book an overall unity of purpose The architecture of the book as a whole has distinct features that include words of judgment as well as words of promise announcing a new day dawning In this new day dawning there are strong elements of a messianic hope **European History Foretold** Harold

This handbook explores the formation of Christianity in Northern Africa from the second century CE until the present It focuses on the reception of Scripture in the life of the Church the processes of decision making the theological and philosophical reflections of the Church Fathers in various cultural contexts and schismatic or heretical movements Volume one covers the first four centuries up until the time of Augustine **The Homiletic Review** ,1903 **The History of the**

Origins of Christianity Book IV - The Antichrist Joseph Ernest Renan,2017-01-02 Following the years of the Crucifixion to the fall of Jerusalem Renan details the deaths and persecutions of the newly formed Christian church by the Roman Emperor Nero This work refers to Nero as the feared Antichrist following traditions and beliefs from the early church and interpretations of Revelations *Metropolitan Pulpit* ,1903 **The Illustrated London News** ,1852 *The Literary*

Prophecies; Concerning the Gentiles, the Jews and the Church of God George Hawkins Pember,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1881 edition Excerpt The Purpose Op God Concerning Israel We have thus traced out the whole line of Gentile prophecy which flows in an unbroken stream from Nebuchadnezzar to the last great head of the fourth empire And we have found that we are now in the clayiron times of the feet of the image and that the world is soon to see the revival of the Roman empire under the form of ten confederate kingdoms the brief but memorable course of which will be cut short by the fall of the stone from the mountain that is by the descent of the Lord Jesus from the height of His power But while earth was bending to the sway of the Babylonian monarch or shuddering beneath the tread of Persian myriads while men were wondering at the lightning rapidity and irresistible bravery of the legions of Alexander or saluting Caesar as lord of the world and a present deity when the crown was placed on the brow of Charlemagne and the majesty of Rome again hovered over Europe while the Eastern empire was being destroyed by Moslem hordes or while the armies of Napoleon were spreading like a prairie fire over the surface of Christendom what during these long times of commotion and change was the counsel of God in regard to the Jew Had He cast away His people God forbid He had not cast

away His people whom He foreknew Through all the turmoil of Gentile times His purpose concerning Israel has remained sure And although the children of Abraham have long been a nation scattered and peeled a nation meted out and trodden down whose land invaders like overflowing rivers have spoiled yet when the iniquity of the Gentiles is full and God s patience with them exhausted Israel shall come into remembrance and be again gathered The mystic Babylon shall fall and Jerusalem
