any descriptive writing that has gripped me so much before A thoroughly enjoyable read Is there another Batch Magna book on the way please Such a wonderfully descriptive bucolic and warmly human story with echoes of the Darling Buds of May A wonderful funny well crafted escape from everyday life If you love writing that absorbs you into the landscape you will love this book Every sense was satisfied with the author s beautiful descriptions of the Marches Escape from the tarmac concrete and relentlessness of life with this stunning book Thank you Mr Maughan I absolutely loved this book and all the characters became so real to me I just couldn t put it down
