Understanding Bollinger Bands Technical Analysis:

Bollinger on Bollinger Bands John Bollinger, 2001-08-21 John Bollinger is a giant in today's trading community. His Bollinger Bands sharpen the sensitivity of fixed indicators, allowing them to more precisely reflect a market's volatility. By more accurately indicating the existing market environment, they are seen by many as today's standard and most reliable tool for plotting expected price action. Now in *Bollinger on Bollinger Bands*, Bollinger himself explains how to use this extraordinary technique to compare price and indicator action and make sound, sensible, and profitable trading decisions. Concise, straightforward, and filled with instructive charts and graphs, this remarkable book will be essential reading for all serious traders, regardless of market. Bollinger includes his simple system for implementation and techniques for combining bands and indicators.

Understanding Bollinger Bands Edward D. Dobson, 1994 Bollinger Bands can be tremendously helpful in market analysis and timing. They are contained in nearly every technical analysis software package. This booklet is the definitive guide to their proper use and interpretation.
