Pre-Flood Civilizations and Their Sumerian Origins Ryan Moorhen, 2025-08-30 Book 4 Pre Flood Civilizations and the Sumerian Origins plunges readers deep into the oldest myths and memories of humanity where history theology and cosmic mathematics intertwine At its heart stands the Sumerian King List a document that recounts the reigns of antediluvian kings who ruled not for decades but for tens of thousands of years Their extraordinary longevity totaling 432 000 years transforms political history into a cosmic drama an age when kingship itself descended from heaven and human order was bound directly to the divine This volume explores the blurred line between myth and memory From the first city of Eridu seat of the god Enki and the cradle of civilization to Shuruppak and the flood traditions that echo through Mesopotamia the text shows how ancient peoples anchored fragile societies in eternal rhythms It examines how reign lengths were tied to astronomical cycles how myths of Alulim En men dur ana and Ubara Tutu may conceal dim memories of real rulers and how the theology of divine kingship legitimized authority while binding it to cosmic law Comparisons with Genesis Hindu yugas and global flood traditions reveal a shared human impulse to structure time through sacred numbers and archetypal rulers Richly weaving archaeology mythology and comparative cosmology this book is more than an analysis of ancient texts it is a meditation on how civilizations conceived of eternity decline catastrophe and renewal It speaks to the weight of time the resilience of kingship and the enduring human need to find meaning in these cycles of history *The Motherland of Civilization is Taiwan* Hsien-Jung Ho, 2023-04-15 The continent of Atlantis and Mu Land the earliest civilization that disappeared by the great Flood has never been found according to my paper presented at an international academic conference in early September 2005 Mega tsunami in northeastern Taiwan at least 12 000 years ago just to find out the earliest civilization lost by mankind it can be inferred from ancient cultural relics that these two are one Taiwan Island Another 6 000 years ago the explosion Volcano of the Seven Star Mountain in Taipei lasted for several years causing Taiwan's ancestors to flee and spread to the islands of the Pacific and Indian Oceans forming a vast territory of the Austronesian language family Color version 18K 416 Pages 420 pictures **Discovery of Prehistory Ancient India** Dr. Jagat K. Lost Knowledge Benjamin B. Olshin, 2019-02-19 Lost Knowledge The Concept of Vanished Technologies and Other Human Histories examines the idea of lost knowledge reaching back to a period between myth and history It investigates a peculiar idea found in a number of early texts that there were civilizations with knowledge of sophisticated technologies and that this knowledge was obscured or destroyed over time along with the civilization that had created it This book presents critical studies of a series of early Chinese South Asian and other texts that look at the idea of specific lost technologies such as mechanical flight and the transmission of images There is also an examination of why concepts of a vanished golden age were prevalent in so many cultures Offering an engaging and investigative look at the propagation of history and myth in technology and culture this book is sure to interest historians and readers from many backgrounds

600 and 8 700 years ago and show how these dates directly parallel the freezing of Antarctica the arrival of Cro Magnon man in Europe and the destruction of Atlantis according to Plato Uncovering the influence of the Atlanteans in Proto Indo European languages and in massive ancient monuments aligned with the stars they show how the civilization founders in all early myths the Pelasgians Danaans Viracocha Aryans and others were part of the Atlantean diaspora and how this migration split into two major movements one to Latin America and the other to Europe and Asia Following the Atlanteans from a warm Antarctica up to Peru Mexico and the Mediterranean they reveal that Cro Magnon men are the people of Atlantis and that we are just now returning to their advanced levels of science technology and spirituality The Dangerous Man Karen Sawyer,2012-11-01 A collection of controversial research and alternative worldviews presenting new and exciting ways of thinking about life as we know it **Lost Knowledge of the Ancients** Glenn Kreisberg,2010-08-13 Thinkers at the forefront in alternative theories on history the origins of civilization technology and consciousness With contributions by Graham Hancock Robert Bauval Mark Booth Richard Hoagland Robert Schoch John Anthony West and others Topics range from quantum philosophy and paranormal phenomena to the secret history of NASA instant polar shifts and ancient Martian civilizations Explores where our present time fits into the cycle of human existence A revolution of thought is under way in our world fostered by decades of research and well documented evidence by alternative theory pioneers such as Graham Hancock John Anthony West Robert Bauval and Robert Schoch These provocative cutting edge scholars now represent a direct challenge to the academic establishment as the paradigms of science and history shift and their ideas gain acceptance Representing the latest often controversial findings in scientific and historical research this anthology of essays commissioned by Graham Hancock bestselling author of Fingerprints of the Gods covers the forefront in alternative theories on history the origins of civilization technology and consciousness with topics ranging from quantum philosophy and paranormal phenomena to the ancient use of electromagnetism the effect of cosmic rays on human evolution and NASA s cover up of ancient Martian civilizations Recognizing that many recent discoveries are actually rediscoveries of lost knowledge from past civilizations these authors seek to understand where within the bigger picture of human knowledge our present time fits into the cycle of human existence **Atlantis** Emmet John Sweeney,2010 Historian Emmet Sweeney persuasively intertwines history and literary references with hard science from archaeology and anthropology to genetics and geology to prove the existence of an ancient trans Atlantic link between the Old World and the New Sweeney examines The geological certainty of a sunken island in the Azores The Human Genome Project s startling revelation that 3% of Native American DNA is characteristic of people of south west Europe and the Atlas Mountains whose inhabitants as late as Roman times called themselves Atlanteans Archaeological and cultural proof of a relationship between the Stone Age and Early Bronze Age civilizations of North America and South West Europe The occurrence of cocaine and tobacco two American narcotics in many Egyptian mummies Piece by piece Sweeney constructs a compelling case for not just the probability but

the necessity of an Atlantic stepping stone the missing link that transmitted both the culture and biology of Europe to America millennia before Columbus Atlantis The Evidence of Science argues as never before that Atlantis should rise to take its place in history not myth YUGA SHIFT BIBHU DEV MISRA, 2023-12-15 Almost every ancient culture believed that human civilization and consciousness has progressively declined since an erstwhile Golden Age till the current age of greed and lies discord and strife called the Kali Yuga But when does the Kali Yuga end And what happens after that In this extensively researched book Bibhu Dev Misra has delineated the common threads that run through the Yuga Cycle doctrines of ancient cultures taking the aid of scientific discoveries wherever available His reconstruction of the original Yuga Cycle framework indicates that the end of the Kali Yuga is just around the corner in 2025 Within a span of just 15 years by the year 2040 the Kali Yuga civilization is likely to collapse due to a combination of global wars environmental catastrophes and comet impacts The survivors will inherit a renewed earth bathed in the divine light of the Central Sun Is there any scientific evidence in support of the Yuga Cycle What drives the sinusoidal fluctuation in our physical size and consciousness in course of the Yuga Cycle Why do cataclysmic obliteration of civilizations occur after every Yuga What do we make of the end time prophecies which tell of a Savior or Avatar returning at the end of the Kali Yuga These are some of the key questions addressed in this book This riveting and thought provoking work contains one of the most important messages of our time

Anunnaki Lunar Waystation Riddick Dawson, 2025-10-07 High above the plains of ancient Sumer a silver light once guided the gaze of priests kings and watchers of the heavens They called it the seat of the gods a celestial threshold where the Anunnaki observed the earth below From this mysterious outpost the moon became more than light it became law rhythm and revelation Its rulers Nanna and Ningal were not mere deities of night and fertility they were the keepers of time the custodians of reflection and the silent intermediaries between heaven and earth *Anunnaki Lunar Waystation* explores the profound theology of the moon as the Anunnaki's cosmic base of operations the mirror between the mortal and the divine Through long forgotten hymns temple liturgies and astronomical rites it traces how lunar worship shaped the empires of Ur Haran and Babylon and how its wisdom endured through Persia Greece and Rome Here the moon is revealed as both archive and oracle its cycles encoding the sacred science of resurrection moral order and cosmic balance From the shimmering ziggurats of Ur to the shadowed manuscripts of Hermetic mystics the moon's role as Anunnaki waystation reemerges a cosmic gateway used by the gods later veiled in myth and ritual The journey follows the transformation of this lunar theology through Gnostic reflection alchemical rebirth and medieval mysticism revealing how the same silver principle of renewal survived every empire and creed Was the moon a living archive a vessel of divine intelligence a base of celestial oversight Did its worship conceal memories of the gods who once walked the earth and then watched from the sky In *Anunnaki Lunar Waystation* the ancient mystery of Nanna and Ningal returns in full cosmic light a story of reflection rebirth and the timeless rhythm by which the gods themselves measured eternity Finding Our Center Heather M.
