

The background image is a black and white promotional photograph. It features two men in dark suits and ties. The man on the left is partially visible, looking towards the camera. The man on the right is more prominent, looking directly at the camera with a serious expression. His hands are resting on a dark surface, and he is holding a handgun. A pair of handcuffs is also visible on the surface. A red horizontal band runs across the middle of the image, containing the title 'UNEVEN VIEW' in large, stylized, metallic-looking letters.

Uneven Anah Crow:

Uneven Anah Crow, 2009-10-01 A chance meeting with a young man unleashes Rase's carefully hidden submissive and masochistic tendencies. It is as though Rase is awakened from a long sleep by one night of sex and violence that ends in unexpected tenderness and comfort. New Approaches to Popular Romance Fiction Sarah S.G. Frantz, Eric Murphy Selinger, 2014-01-10 Despite the prejudices of critics popular romance fiction remains a complex dynamic genre. It consistently maintains the largest market share in the American publishing industry even as it welcomes new subgenres like queer and BDSM romance. Digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre's readership. Romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny, new critical approaches, and an unprecedented international dialogue between authors, scholars, and fans. These eighteen essays investigate individual romance novels, authors, and websites; rethink the genre's history; and explore its interplay of convention and originality. By offering new twists in enduring debates, this collection inspires further inquiry into the emerging field of popular romance studies. Escape Velocity Anah Crow, Dianne Fox, 2012-01-02 Linguist Elios Campbell is thrilled to be granted flight time in a Colonial Guard fighter jet until he catches sight of his pilot. Spending time with Sender Kinnison holds even more appeal than the flight itself. Sender's desire for other men is forbidden by his faith and his family. He tries to resist his attraction to Elios, who is unlike anyone he's ever known. When he fails, the incredible sex quickly leads to something deeper, forcing Sender to question his long-held beliefs. Then duty calls Sender home to the repressed colony of Themis. Will he be forced to give up a future with Elios to honor the ghosts of his past? First published as *Runaway Star*, newly revised by the authors. 61,000 words.
