Nelson,2002-11-07 The first half of this book takes a biographical approach to its subject examining Carnell s early life and education while the second half of the book looks topically at the issues that shaped Carnell s career and as the author proposes may have led to his psychological undoing Through the lens of Carnell s personal struggle this book offers a provocative view into the larger cultural tensions unleashed by new modes of secular thought that challenged the framework of American religious life during the middle years of the twentieth century When We Were Lions Paul Rees,2016-06-02

2016 marks the 20th anniversary of the 1996 European Cup hosted in England when the national football team reached the semi finals to be knocked out on penalties by Germany It was also the end of a generation these were the last footballers to be brought up on beer and sweat In September 96 Arsene Wenger arrived at Arsenal with his continental philosophy of diets and training and by 1998 Beckham had arrived changing the face of football the world over 1996 was also a significant date across the British spectrum It was the year that Brit Pop went global The Lad culture of the 90 s peaked in 1996 when James Brown turned Loaded Magazine from a 100k readership into a 1 million readership and Simon Fuller of 19 Management was making his first steps into turning footballers into the next celebrities And of course Skinner and Baddiel wrote that song which became an anthem for a generation who seemed to have never had it so good The Tories were on their way out although unemployment was at a record low Blair could do no wrong and it was a glorious summer where everything seemed possible Though it wasn t all a haze of a halcyon summer it was the first time that England had played a unified Germany since before the war old prejudices reared their heads and the marginalised hooligans of the game were hidden only by a lick of paint that the old Wembley stadium got ahead of the tournament Starting with Gazza s goal against Scotland and ending later that summer when the dream was over but the belief remained that this really was a great time for Britain Through that narrative will be woven a portrait of an England which was proud to wear Three Lions on the Shirt **Welcome to Valeria**
