Water, sanitation, hygiene, environmental cleaning and waste management in health care facilities World Health Organization,United Nations Children's Fund,2025-03-21 This data update assesses the coverage of WASH services water sanitation hygiene environmental cleaning and health care waste management in in health care facilities There were enough national data to make global estimates for basic water and hygiene services in 2022 with

78% and 57% of health care facilities meeting basic service levels Due to ageing data such estimates could not be produced for 2023 the main reference year of the report Instead the report focuses on the situation in the 60 countries areas and territories categorized by OECD as fragile contexts where populations are particularly vulnerable and WASH service coverage is relatively poor The report has a special focus on primary health care PHC and explores how adopting the PHC approach is critical to improving WASH services and how WASH is essential to advancing PHC **Leadership in**

Managing Facilities Richard P. Payant, DBA, CFM, CPE,2023-02-28 About the Book Most facility management books provide information on planning organizing staffing and controlling This book is different Leadership in Managing Facilities provides the same information in story form The book focuses on real life experiences provides tips and summarizes how to be successful in this profession New facility managers should understand the organization s physical plant must operate efficiently be capable of adapting to change and operate in a cost effective manner Facilities must meet health safety and legal requirements The appendices in this book provide examples of a facility manager s operating and management philosophy format and listing of the types of policies and procedures that FM departments should have as a minimum and an example of Vision Mission Goals and Objectives for an FM department Leadership in Managing Facilities is written by a facility manager for practicing and aspiring facility managers property managers and public works directors This book should be used as a companion book to other more technical FM books because it provides real life examples This is an FM book that should be in every facility manager s FM library **Standard Operating Procedures for All Dentists** Marsha
