Companies and Their Brands ,1990 **American Cartel** Scott Higham,Sari Horwitz,2022-07-12 The definitive
investigation and expos of how some of the nation s largest corporations created and fueled the opioid crisis from the Pulitzer
Prize winning Washington Post reporters who first uncovered the dimensions of the deluge of pain pills that ravaged the
country and the complicity of a near omnipotent drug cartel AMERICAN CARTEL is an unflinching and deeply documented
dive into the culpability of the drug companies behind the staggering death toll of the opioid epidemic It follows a small band
of DEA agents led by Joseph Rannazzisi a tough talking New Yorker who had spent a storied thirty years bringing down bad
guys along with a band of lawyers including West Virginia native Paul Farrell Jr who fought to hold the drug industry to
account in the face of the worst man made drug epidemic in American history It is the story of underdogs prevailing over
corporate greed and political cowardice persevering in the face of predicted failure and how they found some semblance of
justice for the families of the dead during the most complex civil litigation ever seen The investigators and lawyers
discovered hundreds of thousands of confidential corporate emails and memos during courtroom combat with legions of
white shoe law firms defending the opioid industry One breathtaking disclosure after another from emails that mocked
addicts to invoices chronicling the rise of pill mills showed the indifference of big business to the epidemic s toll The
narrative approach echoes such work as A Civil Action and The Insider moving dramatically between corporate boardrooms
courthouses lobbying firms DEA field offices and Capitol Hill while capturing the human toll of the epidemic on America s
streets AMERICAN CARTEL is the story of those who were on the front lines of the fight to stop the human carnage Along
the way they suffer a string of defeats some of their careers destroyed by the very same government officials who swore to
uphold the law before they begin to prevail over some of the most powerful corporate and political influences in the nation
