The increased difficulty will prepare students for California's STAR English Language Arts test. The wider range of exercises will challenge students and help students master reading comprehension skills. The core skills exercises will develop the reading writing and language skills described in the Common Core State Standards. About the Book This workbook is designed to develop the skills that students need to succeed on California's STAR English Language Arts test. It offers a simple system for ongoing practice that will help students develop the reading comprehension skills that all California students need. Each set in the workbook includes reading comprehension questions plus a core skills exercise focused on one key reading writing or language skill. The 40 sets in the book allow students to gradually develop the key skills they will need while building confidence and reducing test anxiety. Students will be prepared and ready for the STAR English Language Arts test.

**Key Features** 40 reading mini tests to make test preparation simple. Short passages and question sets allow for easy 20 minute practice sessions. Engaging reading passages to make revision fun. Easily integrates with student learning throughout the year. Includes exercises focused on developing the reading writing and language skills described in the Common Core State Standards. Includes additional information and teaching notes on the key reading skills that California students need to master. About the Common Core Standards The state of California has adopted the Common Core State Standards. These standards describe what students are expected to learn. Student learning is based on these standards throughout the year and the state test includes questions that assess whether students have the skills described in the standards. This workbook has been expanded to include core skills exercises focused on the reading writing and language skills described in the Common Core State Standards. The exercises have a range of formats and are designed to challenge students. As students gain the reading comprehension skills that will assist them on the state test they will also develop these broader skills that will help them in all areas.
