**See You Now** Eric Topol,2016-10-25 The essential guide by one of America s leading doctors to how digital technology enables all of us to take charge of our health A trip to the doctor is almost a guarantee of misery You ll make an appointment months in advance You ll probably wait for several hours until you hear the doctor will see you now but only for fifteen minutes Then you ll wait even longer for lab tests the results of which you ll likely never see unless they indicate further and more invasive tests most of which will probably prove unnecessary much like physicals themselves And your bill will be astronomical In *The Patient Will See You Now* Eric Topol one of the nation s top physicians shows why medicine does not have to be that way Instead you could use your smartphone to get rapid test results from one drop of blood monitor your vital signs both day and night and use an artificially intelligent algorithm to receive a diagnosis without having to see a doctor all at a small fraction of the cost imposed by our modern healthcare system The change is powered by what Topol calls medicine s Gutenberg moment Much as the printing press took learning out of the hands of a priestly class the mobile internet is doing the same for medicine giving us unprecedented control over our healthcare With smartphones in hand we are no longer beholden to an impersonal and paternalistic system in which doctor knows best Medicine has been digitized Topol argues now it will be democratized Computers will replace physicians for many diagnostic tasks citizen science will give rise to citizen medicine and enormous data sets will give us new means to attack conditions that have long been incurable Massive open online medicine where diagnostics are done by Facebook like comparisons of medical profiles will enable real time real world research on massive populations There s no doubt the path forward will be complicated the medical establishment will resist these changes and digitized medicine inevitably raises serious issues surrounding privacy Nevertheless the result better cheaper and more human health care will be worth it Provocative and engrossing *The Patient Will See You Now* is essential reading for anyone who thinks they deserve better health care That is for all of us *Fueling Resistance* Kate J.

Neville,2021-01-18 *Fueling Resistance* examines conflicts over development projects in energy frontiers places in the world far from sites of economic and political power that are seen as potential suppliers of new energy commodities Neville looks at biofuels in Kenya and fracking in the Canadian Yukon and shows how organizers connect specific energy projects to broader issues of globalization climate food water and justice Taken together the intersecting elements of the political economy of energy finance ownership and trade relations shape the contentious politics of biofuels and fracking at both local and global

scales and help explain how and why particular mechanisms of contention emerge at different times and places **In Local Hands** Lisa K. Parshall, 2023-03-01 In *Local Hands* examines the contemporary post 2010 village government dissolution movement and renewed state level effort to encourage local government restructuring against the backdrop of evolving statutory authority growing fiscal pressures and state incentives Drawing on multiple disciplines Lisa K Parshall explores the contemporary village dissolution movement in New York State the impetus behind these reforms and the impact of the state level policies and incentives that are driving a growing number of local communities to consider local government reorganization through the elimination of villages as governing entities Parshall explores the social political and narrative contexts in which these community level debates occur providing us with a study of local democracy in action and of the power of local control over the creation and dissolution of local governing entities With its dual within and cross case study focus on New York State villages In *Local Hands* is both timeless and timely providing valuable contributions to the study of municipal development and reorganization *The Palace Papers* Tina Brown, 2022-04-26 NEW YORK TIMES BESTSELLER The addictively readable The Washington Post inside story of the British royal family's battle to overcome the dramas of the Diana years only to confront new twenty first century crises Frothy and forthright a kind of Keeping Up with the Windsors with sprinkles of Keats The New York Times Notable Book of the Year ONE OF THE BEST BOOKS OF THE YEAR The Washington Post Elle Town Country Never again became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death More specifically there could never be another Diana a member of the family whose global popularity upstaged outshone and posed an existential threat to the British monarchy Picking up where Tina Brown's masterful *The Diana Chronicles* left off *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity ripped through the House of Windsor like a comet Brown takes readers on a tour de force journey through the scandals love affairs power plays and betrayals that have buffeted the monarchy over the last twenty five years We see the Queen's stoic resolve after the passing of Princess Margaret the Queen Mother and Prince Philip her partner for seven decades and how she triumphs in her Jubilee years even as family troubles rage around her Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife the tension between William and Harry on different paths the ascendance of Kate Middleton the downfall of Prince Andrew and Harry and Meghan's stunning decision to step back as senior royals Despite the fragile monarchy's best efforts never again seems fast approaching Tina Brown has been observing and chronicling the British monarchy for three decades and her sweeping account is full of powerful revelations newly reported details and searing insight gleaned from remarkable access to royal insiders Stylish witty and erudite *The Palace Papers* will irrevocably change how the world perceives and understands the royal family **Antisemitism and Anti-Zionism in Turkey** Efrat Aviv, 2017-02-17 This book examines the place Antisemitism occupies within Turkish history and society especially since the rise of the AKP It also elucidates and analyses the various actors factors and changes that the term and

the phenomena Antisemitism have gone through Additionally the book presents the Turkish regime's relations attitude and approach toward the Turkish Jewish community in Turkey      Focus On: 100 Most Popular Expatriate Footballers in Spain Wikipedia contributors,      Focus On: 100 Most Popular Real Madrid C.F. Players Wikipedia contributors,      The Turkish AK Party and its Leader Umit Cizre,2016-05-20 After landslide electoral victories two referenda and a presidential election thirteen years of AK Party rule have shattered many myths regarding Turkey's politics and the nature of the party itself This book argues that the last thirteen years are best understood via the AK party's interaction with the social political realm It focuses on criticism dissent and opposition from prominent organized groups in Turkish society which themselves represent significantly different traditions ideologies and interests Bringing together specialists from across the field its chapters explore key societal actors to reveal the dynamics behind the last decade of AK Party rule Overall the book throws light on the extent to which the government's characters trajectories policies and leadership style have been interactively shaped by opposition and dissent Exploring the historically unprecedented and politically controversial rule of the AK Party as well as the relationship between modern societal groups and a government driven by a conservative Islamic tradition this book is a valuable resource for students and scholars of Turkish studies as well as politics more generally      **The Digital Evolution of Live Music** Angela Jones,Rebecca Jane Bennett,2015-07-17 The concept of live has changed as a consequence of mediated culture Interaction may occur in real time but not necessarily in shared physical spaces with others The Digital Evolution of Live Music considers notions of live music in time and space as influenced by digital technology This book presents the argument that live music is a special case in digital experience due to its liminal status between mind and body words and feelings sight and sound virtual and real Digital live music occupies a multimodal role in a cultural contextual landscape shaped by technological innovation The book consists of three sections The first section looks at fan perspectives digital technology and the jouissance of live music and music festival fans The second section discusses music in popular culture exploring YouTube and live music video culture and gaming soundtracks followed by the concluding section which investigates the future of live music and digital culture Gives perspectives on the function of live music in digital culture and the role of digital in live music Focuses on the interaction between live and digital music Takes the discussion of live music beyond economics and marketing to the cultural and philosophical implications of digital culture for the art Includes interviews with producers and players in the digital world of music production Furthers debate by looking at access to digital music via social media websites and applications that recognise the impact of digital culture on the live music experience
