A promotional image for the TV show 'StarTalk'. Neil deGrasse Tyson is shown from the chest up, wearing a dark blue suit and tie, with his hands raised in a gesture of surprise or explanation. He is positioned in the center of a swirling, tunnel-like vortex that leads into space. The background is a deep black space filled with stars, planets, and various objects. To the top left, a space shuttle is shown in flight. To the top right, the planet Saturn is prominent. Other celestial bodies, including a red dwarf star and a blue planet, are visible. A large, detailed skull of a human is floating on the right side. A red stethoscope is visible in the lower left, and a small, cylindrical object, possibly a probe or a piece of space debris, is at the bottom center. The overall theme is a blend of science and pop culture.
