## WHO TAKES CARE OF WHAT?

Your food is safe. Your state has roads and schools. Your community has parks and police. Government makes these things happen... and more.

**S**afe travel! The Federal Aviation Administration (FAA) ensures that flying is safe.

How much? The U.S. mint manufactures and distributes all coins and bills. The Bureau of Engraving and Printing prints our paper money.

Ensuring national security. The Department of Defense provides the military forces needed to prevent war and keep our country safe.

Protecting plants and animals. U.S. Fish and Wildlife focuses on protecting endangered species.

Is your health? The Food and Drug Administration (FDA) monitors all medicines and sets food safety standards.

Learning more on your behalf. The National Institute of Health (NIH) supports research into the causes and cures of diseases.

**FEDERAL AND STATE**

How green is it? National and state governments create and maintain about 200 million acres of parks and forests.

Correctional facilities - prisons - house people who have been convicted of a crime.

How big? About 4 million miles of roads cross the U.S.

Safe and sound. Community police, state troopers, the National Guard, and the FBI (Federal Bureau of Investigation) work to fight crime.

**FEDERAL AND LOCAL**

Model this. Communities have elections, courts and laws. Local governments, both state and local, arrange for polling places where people cast their vote.

**STATE**

Behind the wheel. Every state has a Department of Motor Vehicles. When you're old enough to get a driver's license, learn where you'll go.

Go fish! But first you'll need a state-issued fishing license. The same goes for hunting.

Road to go. Lawyers and other professionals must pass a state licensing exam in the state where they plan to work.

Amend! Any amendment to our Constitution must be approved in ratified by 38 states.

Cutting costs. A state controls all the hospitals within its borders and owns direct control over specific facilities.

Electing our President. Every state elects electors for the Electoral College. Electors cast votes for which candidate gets the majority of votes in the state.

**STATE AND LOCAL**

Your teachers, your schools. Local communities hire teachers, build schools, decide whether to send their school children to and from school, and get taught in the state's responsibility.

**911** Quick, call 9-1-1! Your community's first responders - firefighters, police, and EMTs (Emergency Medical Technicians) - are there in minutes.

Read, play, enjoy. If you like libraries, sports fields, parks, and other recreation facilities in your community, say there are in your local government.

Emergency! Without your local government to make the roads and to perform, you may end up with a rough ride.

Electricity, natural gas, and water are responsible for the managed and distributed. Local communities are in charge.

Pick! That's what you might say without the garbage collection provided by your community's sanitation department.
