Nagasawa, 2021-01-06 Today's Christian pro life movement has misplaced its priorities The issue of abortion is more complex than the movement often appreciates For a start Scripture is less clear about the moral weight of the fetus than we often think In fact early Christians took different positions on abortion because they also relied on different scientific sources about the unborn Furthermore Christian conservatives today do not acknowledge that in American history as today Christian stances on abortion were motivated by other political fears White Protestant Americans developed different state laws on abortion to accomplish anti immigrant goals in the North but anti black racism in the South That messiness impacts U S constitutional law including Roe v Wade Meanwhile Scripture commissions God's people to confront socio economic factors that push abortion rates higher male privilege and the disempowerment of women the high cost of child raising the causes of birth defects the desire to care narrowly for just my children mistaken views about

contraception and the culture wars and most of all poverty This book incorporates biblical studies church history science social science history and public policy to argue that we must not approach abortion policy primarily from a criminal justice standpoint as modern conservatives do but from a broad social and economic standpoint meant to benefit and bless all children

The Glory of the Invisible God Andrei Orlov,2019-12-26 Andrei Orlov examines early Christological developments in the light of rabbinic references to the two powers in heaven tracing the impact of this concept through both

canonical and non canonical material Orlov begins by looking at imagery of the two powers in early Jewish literature in particular the book of Daniel and in pseudepigraphical writings He then traces the concept through rabbinic literature and applies this directly to understanding of Christological debates Orlov finally carries out a close examination of the two powers traditions in Christian literature in particular accounts of the Transfiguration and the Baptism of Jesus Including a comprehensive bibliography listing texts and translations and secondary literature this volume is a key resource in researching the development of Christology [The Achievement of David Novak](#) Matthew Levering, Tom Angier, 2021-02-18 This book is a Festschrift offered by twelve Catholic theologians and philosophers to the great Jewish theologian David Novak Each of the twelve essays is followed by a response by David Novak and it thereby represents a significant addition to his oeuvre The book includes an introduction by Matthew Levering surveying Novak s many contributions to Jewish Christian dialogue as well as a transcribed conversation between Robert George and David Novak that encapsulates Novak s sense of the present situation for Jews and Christians Among the topics treated by the authors are religious engagement in a pluralist and secular culture the question of whether Jews and Christians worship the same God the morality of suicide the role of divine commandments in Catholic moral theology the question of whether classical versions of natural law doctrine are susceptible to the critiques proffered by Novak the pedagogical impact of Dabru Emet religious freedom the recent debate about Pope Pius IX and Edgardo Mortara the nature of justice the relationship of reason and revelation the sanctity of human life and the death penalty and supersessionism **Make the Devil Homeless** Vladimir Savchuk, 2025-10-07 Shut the door on darkness before it consumes your soul While reading this book you will be able to recognize spiritual oppression break curses and overcome soul ties You will also be able to slam the door shut on any dark forces trying to take control In Make the Devil Homeless pastor and deliverance minister Vladimir Savchuk offers a practical guide to breaking free from demonic strongholds and living victoriously Drawing from biblical truths and ministry experience Savchuk will equip you to Recognize spiritual oppression Break curses Overcome soul ties Move from deliverance to dominion Covering topics like haunted houses bloodline curses and second heaven warfare this book empowers readers to shut the door on darkness and walk in God s abundant freedom Whether seeking personal breakthrough or helping others Make the Devil Homeless is your roadmap to lasting spiritual victory [Fallen Animals](#) Zohar Hadromi-Allouche, 2017-10-05 The premise of Fallen Animals is that some how and in some way The Fall of Adam and Eve as related in the Bible has affected all living beings from the largest to the smallest from the oldest to the youngest regardless of gender and geography The movement from the blissful arena of the Garden of Eden to the uncertain reality of exile altered in an overt or nuanced fashion the attitudes perceptions and consciousness of animals and humanity alike Interpretations of these reformulations as well as the original story of the Paradise Garden have been told and retold for millennia in a variety of cultural contexts languages societies and religious environments Throughout all those retellings animals have been a constant presence positively and negatively actively and

passively from the creation of birds fish and mammals to the agency of the serpent in the Fall narrative The serpent in the Garden of Eden is but one example of the ambivalence which has characterized the human animal relationship over the centuries both across and within cultures societies and traditions The book examines the interpretations functions and interactions of the Fall physical moral artistic and otherwise as represented through animals or through human animal interactions

The Father and the Feminine Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate The Father and the Feminine seeks to clarify the ways Christians speak about God whether this is by recognizing revelation and Christian tradition upholding God s ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self

The Scandal of a Divine Messiah Brian J. Crawford, 2024-12-30 In this groundbreaking book Brian J Crawford navigates the complex intellectual landscape that has traditionally separated Jews and Christians His focus is on a scandalous claim God became a man as Jesus of Nazareth Since the Middle Ages Jewish philosophers have said such an idea is impossible and absurd and Jewish mystics have said the idea is redundant for all things are inhabited by divine sparks By critically examining the philosophical underpinnings of the Maimonidean and Kabbalistic thought that has shaped Jewish theology Crawford constructs a compelling case for the incarnation that is grounded in the Hebrew Scriptures consistent with history informed by science and illuminated by philosophical inquiry Included within is a deep interaction with Maimonides s Guide to the Perplexed the

Palma, 2024-11-30

Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism **Beyond the Evangelical Gender Roles Gridlock** Reimagining Paul's Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society
