Wace Essay 2014 2015:

Climate Change Threats to National Development and Policy Options for Kenya Essays George Okoye

Krhoda,Elias Ayiemba,2025-07-24 The impact of climate change poses a significant threat to human security on multiple fronts as environmental changes exacerbate vulnerabilities across economic social and political systems This anthology is an invaluable resource for understanding Kenya s climate related challenges and a vital guide for crafting effective long term solutions that prioritize human security and environmental stability Within this collection the authors address critical themes such as human security climate change nexus adaptation and mitigation strategies such as decarbonizing transportation and adopting energy efficient building technologies The authors explore innovative climate risk assessment tools tailored for the arid and semi arid regions of Kenya and propose gender sensitive resilience policies underscoring the critical role of women in managing agro pastoral ecosystems Additionally the collection investigates the influence of climate conditions on health including the relationship between weather patterns and COVID 19 prevalence The essays also analyse the effects of extreme weather events such as floods and droughts on food security emphasizing the pressing need for sustainable interventions

(2015) Nathanael Busch,2016-12-19 The purpose of the BIAS is year by year to draw attention to all scholarly books and articles directly concerned with the mati re de Bretagne The bibliography aims to include all books reviews and articles published in the year preceding its appearance an exception being made for earlier studies which have been omitted inadvertently The present volume contains over 700 entries on relevant publications that were published in 2014

Forbidden Texts on the Western Frontier: The Christian Apocrypha in North American Perspectives Tony

Burke,2015-07-27 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer s theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus Forbidden Texts on the Western Frontier demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field *Forsaking the Fall* Daniel H.

Spencer,2023-03-31 *Forsaking the Fall* argues along exegetical theological and philosophical lines that the doctrines of the Fall and Original Sin need not be understood as integral components of orthodox Christianity By engaging biblical studies systematic theology and analytic philosophy the book provides a comprehensive understanding of the most important issues

at play in the Original Sin debate as well as offers a set of tools for helping readers to think critically about the essence of the Christian faith and its relation to Original Sin Crucially it lays the theoretical groundwork for an orthodox nonlapsarianism and advances a novel theory vis vis the Fall and Original Sin in Christian theology This innovative and provocative book will be of interest to scholars of theology and philosophy specifically analytic theologians and philosophers of religion **How the World Made the West** Josephine Quinn,2025-10-21 An award winning Oxford history professor makes a forceful argument and tells a story with great verve The Wall Street Journal that the West is and always has been truly global Those archaic Western Civ classes so many of us took in college should be updated argues Quinn who invites us to revel in a richer more polyglot inheritance The Boston Globe AN ECONOMIST BEST BOOK OF THE YEAR LONGLISTED FOR THE CUNDILL HISTORY PRIZE In *How the World Made the West* Josephine Quinn poses perhaps the most significant challenge ever to the civilizational thinking regarding the origins of Western culture that is the idea that civilizations arose separately and distinctly from one another Rather she locates the roots of the modern West in everything from the law codes of Babylon Assyrian irrigation and the Phoenician art of sail to Indian literature Arabic scholarship and the metalworking riders of the Steppe to name just a few examples According to Quinn reducing the backstory of the modern West to a narrative that focuses on Greece and Rome impoverishes our view of the past This understanding of history would have made no sense to the ancient Greeks and Romans themselves who understood and discussed their own connections to and borrowings from others They consistently presented their own culture as the result of contact and exchange Quinn builds on the writings they left behind with rich analyses of other ancient literary sources like the epic of Gilgamesh holy texts and newly discovered records revealing details of everyday life A work of breathtaking scholarship *How the World Made the West* also draws on the material culture of the times in art and artifacts as well as findings from the latest scientific advances in carbon dating and human genetics to thoroughly debunk the myth of the modern West as a self made miracle In lively prose and with bracing clarity as well as through vivid maps and color illustrations *How the World Made the West* challenges the stories the West continues to tell about itself It redefines our understanding of the Western self and civilization in the cosmopolitan world of today *Ergasteria: Premises and Processes of Creation in Antiquity* Elena C. Partida,Constanze Graml,2025-07-03 This volume presents 23 papers that offer insights into aspects of creation manufacture and processing in antiquity viewing craftsmen and artists in their socio cultural and geopolitical setting New finds from Greece North Africa the Black Sea Italy and Central Europe provide a trigger for discussion **Vietnam, My Deliverance; Traumatic Stress, My Salvation** Jim Carmichael,2022-05-08 Post traumatic stress disorder is both a gift and tool in God s hands The Lord has designed a person s brain to adjust to the rigors of combat or abuse Combat s despair can also drive us to Christ Jim Carmichael Ph D looks back at his service in Vietnam and how it impacted his life upon returning home in this book More importantly he reveals how God led him to find redemption obedience to God and transformation into the image of Jesus Christ through suffering In sharing

his story the author seeks to answer questions such as What is the purpose of PTSD Why don t all combatants suffer from PTSD How can God deliver individuals from bondage What can be done to prevent PTSD victims from dying by suicide The author stresses that the Veterans Administration should do more to teach veterans and their families about how the brain changes when it s subjected to constant stress He also highlights how combatants throughout history have been impacted by stress Join the author as he praises and thanks God for using the horrors of Vietnam to drive him to Christ Neo-Gothic Narratives Sarah E. Maier, Brenda Ayres, 2020-03-31 Neo Gothic Narratives defines and theorises what exactly qualifies as such a text what mobilises the employment of the Gothic to speak to our own times whether nostalgia plays a role and whether there is room for humour besides the sobriety and horror in these narratives across various media What attracts us to the Gothic that makes us want to resurrect reinvent echo it Why do we let the Gothic redefine us Why do we let it haunt us Does it speak to us through intertextuality self reflectivity metafiction immersion affect Are we reclaiming the history of women and other subalterns in the Gothic that had been denied in other forms of history Are we revisiting the trauma of English colonisation and seeking national identity Or are we simply tourists who enjoy cruising through the otherworld The essays in this volume investigate both the readerly experience of Neo Gothic narratives as well as their writerly pastiche

Arthur, Origins, Identities and the Legendary History of Britain Jean Blacker, 2024-03-18 Geoffrey of Monmouth s immensely popular Latin prose *Historia regum Britanniae* c 1138 followed by French verse translations Wace s *Roman de Brut* 1155 and anonymous versions including the *Royal Brut* the *Munich Harley* and *Egerton Bruts* 12th 14th c initiated Arthurian narratives of many genres throughout the ages alongside Welsh English and other traditions **Arthur Origins Identities and the Legendary History of Britain** addresses how Arthurian histories incorporating the British foundation myth responded to images of individual or collective identity and how those narratives contributed to those identities What cultural political or psychic needs did these Arthurian narratives meet and what might have been the origins of those needs And how did each text contribute to a larger picture of Arthur to the construction of a myth that still remains so compelling today

The Quest for Mark's Sources Thomas P. Nelligan, 2015-07-07 The question of the relationship between the Gospel of Mark and letters of Paul has been ever present in New Testament scholarship but has never been fully explored This monograph seeks to probe further into this question through an examination of the literary relationship between sections of Mark and 1 Corinthians Nelligan explores the context of these texts in Greco Roman and Jewish literature adopting the view that New Testament authors use imitation with a sophisticated use of literary sources as a major technique in their composition He proposes a new set of criteria for judging literary dependence that builds upon and advances those already promoted by biblical scholars Sections of Mark and 1 Corinthians are then compared and analyzed including the Eucharist accounts given in both texts By analyzing and comparing sections of Mark and 1 Corinthians most notably the account of the Eucharist in both texts Nelligan argues Mark used 1 Corinthians as a literary source and that this was done using well

established literary techniques used in the wider Greco Roman and Jewish literary world **Thriving in the Face of Mortality** Daniel B. Hinshaw,2023-01-27 Kenosis a Greek word meaning depletion or emptying and a concept borrowed from Christian theology has deeply profound implications for understanding and ordering life in a world marked by suffering and death Whereas the divine kenosis was voluntary human beings experience an involuntary kenosis which is characterized by the inevitable losses experienced during the lives of mortal creatures How one chooses voluntarily to respond to this involuntary kenosis regardless of faith commitments in effect defines us both in our relationships with other suffering creatures and with the entire cosmos This book offers a unique perspective on how the losses of involuntary kenosis choreograph the suffering which is such a defining aspect of the lives of persons communities and the environment in which they live and how the kenotic process rather than being a source of despair can be a source of hope presenting opportunities for extraordinary personal growth Lives, Identities and Histories in the Central Middle Ages Julie Barrau,David Bates,2021-10-07 How did medieval people define themselves And how did they balance their identities as individuals with the demands of their communities Lives Identities and Histories in the Central Middle Ages intertwines the study of identities with current scholarship to reveal their multi layered sometimes contradictory dimensions Drawing on a wide range of sources from legal texts to hagiographies and biblical exegesis and diverse cultural and social approaches this volume enriches our understanding of medieval people s identities as defined by themselves and by others as individuals and as members of groups and communities It adopts a complex and wide ranging understanding of what constituted identities beyond family and regional or national belonging such as social status gender age literacy levels and displacement New figures and new concepts of identities thus emerge from the dialogue between the chapters through an approach based on life histories lived experience ethnogenesis theories of diaspora cultural memory and generational change **Vitreous Vitae** Ashley J. Laverock,2024-11-11 In Vitreous Vitae St Margaret of Antioch in Thirteenth Century Stained Glass Ashley J Laverock considers the representation of the virgin martyr St Margaret in thirteenth century stained glass windows in Europe These windows appeared at a moment when Margaret s cult was expanding but before the motif of the saint with the ragon became normative They offer insight into the rich narrative potential of Margaret s life in a monumental medium seen by wide audiences Examining these windows not only reveals shared emphases on Margaret s imitatio Christi corporeal suffering and encounters with the dragon and demon but also shows how distinct site specific hagiographies of Margaret were tailored to each church s context Multi faceted Margarets contributed to the wider cult of the saint The Evangelical Doctrine of the Church Robert Doyle,2022-08-16 This book is a disciplined introduction to ecclesiology With respect to the community which the Lord purchased with his own blood Acts 20 28 parts one and two focus on a critical exegetical presentation of the New Testament s descriptions and themes locating their treatment within two millennia of reflection and appreciating the impact of those contexts on our understanding From over ninety New Testament images chapters four to

ten identify and argue for three foundational concepts ekklesia assembly soma Christou the body of Christ and koinonia hagion the communion of the saints Continuing the conversation with Scripture and its history of interpretation Robert Doyle then applies the determinative biblical themes to present practice centering it on the churches of the Evangelical and Reformed traditions Part four illuminates ecclesiology from other foundational Christian doctrines the triune God of holy love Christology our ascended human high priest and king and the doctrine of revelation the church as the pillar and bulwark of the truth The final part focuses on three possible points of transformation in ecclesial life and witness both internally and outward to the world

The Rule of Faith and Biblical Interpretation Robert C. Fennell, 2018-02-02 Among the dizzying array of approaches to reading the Bible the oldest most revered interpretive tool rises above the rest the Rule of Faith Faithful interpretation of Scripture in the postmodern context has much to learn from this ancient principle Deeper engagement with the sacred text flourishes with the assistance of the Rule of Faith That engagement in turn renews the Body of Christ This book explores the interpretive practices of great reformers and renewers of the church including Luther Calvin and Wesley who kept up a lively dialogue with the ancient authors of the Christian movement In that dialogue they discovered a dynamic guide to better exegesis Robert C Fennell provides a compelling account of faithful interpreters from the past whose example inspires contemporary readers as they seek to understand the Bible

The Middle Ages on Television Meriem Pagès, Karolyn Kinane, 2015-04-30 The 21st century has seen a resurgence of popular interest in the Middle Ages Television in particular has presented a wide and diverse array of medieval offerings Yet there exists little scholarship on television medievalism This collection fills the gap with 10 new essays focusing on the depiction of the Middle Ages in popular culture and questioning the role of television in shaping our ideas about past and present The contributors emphasize the need for scholars of medievalism to pay attention to its manifestations on the small screen The essays cover quite a range of topics including genre gender and sexuality The series covered are Game of Thrones Merlin Full Metal Jousting Joan of Arcadia Tudors Camelot and Mists of Avalon Instructors considering this book for use in a course may request an examination copy here

God, Freedom, and the Body of Christ Alexander J. D. Irving, 2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit This is developed through a dialogical or covenantal frame that has its focal point in Christ in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized The Church as the body of Christ participates in the mediatorial work of Jesus Christ Each chapter explores a different element of this participatory ecclesiology This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center This foundation provides the basis upon which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the

power of the Spirit and comes to reflect the triune God in its own structures *Eternal in Love* R. T. Mullins, 2024-08-27 Do you want to be close to God The answer to a question like this is wrapped up in knowing what God is like understanding the reasons for why God acts as he does and learning how to promote God's goals for creation In this short book readers will explore issues about the nature of God consider why God would create anything at all and why God would create this particular universe Through a mixture of devotional insight and philosophical analysis one will come to a better understanding of the majesty of God **The Simplicity of God** Jonathan M. Platter, 2025-09-18 For most of Christian history God was understood to be simple It was a staple of articles of faith to confess a God without parts or passions But today divine simplicity is seen as either irrelevant or a vestige of classical theism Neither is quite right The Simplicity of God argues that the doctrine is often misunderstood but in the right light it can play a vitalizing role in Christian thought and spiritual practice In this companion Jonathan Platter presents an integrated account of divine simplicity and he goes further to explore the difference it makes for the doctrines of Trinity creation incarnation and eschatology Grounded in Scripture the history of doctrine and contemporary systematic theology The Simplicity of God offers a thorough introduction to the doctrine in an accessible format *Until Our Minds Rest in Thee* John Rose, 2019-11-14 Open mindedness is often celebrated in our modern world yet the habit of open mindedness remains under defined and may leave Christians with many questions Is open mindedness a virtue What is the value of intellectual diversity and how should Christians regard it Is it a threat or an asset to the church and its tradition Drawing on sources ancient and modern from Aristotle to Augustine Aquinas and Wittgenstein this book explores these questions from the perspectives of philosophy and the Christian faith
