So Wild a Heart Candace Camp,2018-05-14 Generations ago the Aincourt family was given a title and land for their loyalty to the king But the former abbey they received came with a price a curse that no family member would ever know happiness Devin Aincourt Earl of Ravenscar makes no apologies for who he is a drinker a womanizer a gambler Having been cast aside by his disapproving father years before Dev is content to live out his cursed life in this hedonistic manner Until his mother asks him to make a bold move to restore the family name and fortune marry a rich American heiress Believing it will be a marriage in name only Dev agrees to marry Miranda But he never imagined that this feisty unconventional foreigner would have plans of her own to restore Blackwater the old abbey to its former glory to extricate Dev from the clutches of a devious mistress and to win his heart for her own All while risking her own life to an unknown enemy *Eminence of Evil* Andrew Vincent Metalhorn,2018-07-23 Devin Demas was born over three hundred years ago of noble lineage as a prince of a kingdom between old France and Germany He has no desire to rule after his father King Bosren and despised him after meeting Barabis and learning his secrets of the underworld hell Soon after Devin was banished from the kingdom for learning the black magic of Mephistopheles In secrecy he was taken to the new lands of America After killing the ship s captain through spells that sent him into contortions as his body was crushed into a human cube of carnage Devin then turned the ship s sailors into his servile slaves After reaching the southern shores of America they disbanded the ship as Devin only sixteen years old marched with his new sailor slaves inland in search of his new home After what seemed months they finally came to a place Devin was satisfied in and built his new home Devin studied the parchment scrolls Barabis left him for seventeen years He learned how to become immortal after he would have to lose his mortality under the alignment of stars and planets in the conjecture of pure evil After being judged and sent to hell Devin yoked with Satan then walked once more upon the earth as a heartless and soulless being in the

gathering of followers for the final war of man's soul and the occupation of Mother Earth and control of her flesh. After over three hundred years of roaming the earth, Devin came back to his old home; his sailor slaves made with their bare hands. It was located outside the small town of Langtownship. David Lang is the sheriff of Langtownship. His family had been in this reign since 1652. David and Devin soon became nemeses as they came to realize that they were related in lineage. Devin tried to recruit David to his satanic cult in which David wanted no part of. After Devin destroyed David's perfect life, family, and peace on earth, David found himself empowered by armies of unlikely sources to fight against hell and darkness upon earth forever.
