

The background of the entire image is a soft, ethereal scene. On the left, a woman with long blonde hair, seen from behind, is walking up a wooden staircase. She is wearing a long, flowing white dress. The staircase leads towards a bright, golden light source, possibly the sun or a celestial body, which is partially obscured by soft, white and pinkish clouds. The overall color palette is warm, dominated by yellows, oranges, and pinks, creating a heavenly and hopeful atmosphere.

Waking up in Heaven Crystal McVea,Alex Tresniowski,2013-06-24 The remarkable story of a woman plagued with guilt and skepticism dramatically changed by the nine minutes she spent in heaven God let me see me through His eyes And in that instant I knew that God had always loved me through all of those dark and difficult years when I doubted His existence through every crisis and every heartbreak that made me turn away from Him more I knew in that instant that His love was endless and boundless and that if He loved me so much how could I not love myself For most of her life Crystal McVea was a skeptic whose history of abuse and bad choices made her feel beyond the reach of God who questioned if God was even real She had all but given up hope Then came December 10 2009 and the moment that changed everything For nine minutes that night Crystal went into full respiratory arrest She was unconscious and unable to breathe on her own unaware of the crisis happening around her as the hospital staff rushed to save her life Crystal doesn t remember the trauma or losing consciousness she just remembers waking up in heaven next to God Waking Up in Heaven invites readers to witness the relentless pursuit of God in a life that was broken and seemingly beyond hope an awe inspiring account of love forgiveness and redemption and the healing power of God s presence

Waking Up in Heaven Crystal McVea,Alex Tresniowski,2013-04-02 New York Times bestseller A remarkable and inspirational memoir about one woman s near death experience who was dramatically changed by the nine minutes she spent in heaven On December 10 2009 McVea a thirty two year old mother of four went to the hospital for a routine procedure While undergoing treatment her face suddenly turned a dark shade of blue then black Her mother screamed for help and a nurse tried to revive her to no avail Today Crystal does not remember what happened in that hospital room during the nine minutes she was unconscious and unable to breathe on her own She has no memory of the panic and the rushing nurses and the loud cries of Code Blue She only remembers drifting off and waking up in heaven This unexpected meeting of a self described sinner and skeptic with her God changed everything Raised Christian she had left her faith behind after childhood abuse and the subsequent struggles and suffering of her troubled teens and early adulthood She longed to believe

but felt abandoned broken and undeserving A moving autobiographical testament to the power of divine love and forgiveness Waking Up in Heaven shares the message of hope healing and compassion McVea brought back from her brush with God This brave honest account of years lost to shame and guilt will inspire those who ve stumbled along their own spiritual journey with the uplifting reminder that no one is beyond the reach of grace and redemption and that in the words of the author God is real Heaven is real And God s love for us is the realest thing of all **Waking Up in Heaven** Crystal McVea,2013 Waking up in heaven tells the remarkable story of a woman plagued with guilt and skepticism dramatically changed by the nine minutes she spent in heaven For most of her life Crystal McVea was a skeptic whose history of abuse and bad choices made her feel beyond the reach of God She questioned if God was even real Then came 10 December 2009 and the moment that changed everything For nine minutes that night Crystal went into full respiratory arrest She was unconscious and unable to breathe on her own unaware of the crisis happening around her as the hospital staff rushed to save her life Crystal doesn t remember the trauma or losing consciousness she just remembers waking up in heaven next to God Crystal discusses some of the extraordinary things she encountered in heaven including the beautiful gates of heaven our guardian angels and a life altering vision of her younger self Pasternak:Doctor Zhivago Angela Livingstone,1989-06-22

possibilities that exist beyond the known borders of consciousness He has never been a classic rationalist as he himself has experienced phenomena that defy logic and the explanations of Western medicine In *The Borders of Normal* Dr Matas reveals just how accepted and studied many of these phenomena are providing a compelling overview of influential thinkers who have over the years recognized events and experiences that fall outside the realm of current scientific thought As a proponent of a nuanced respectful approach that lies between belief and scepticism Dr Matas helps us to view paranormal experiences as normal and indeed endemic to the human species for it is in this space of the unknown that we may learn more about ourselves each other and the bodies and worlds that we inhabit *Near-Death Experiences . . . and Others*

The Nephilim were kicked out of heaven and now wander the earth looking for forgiveness and a new purpose among both angels and people Summary *Heaven s Outcasts* is a moving story about the Nephilim who were sent out of heaven for breaking the rules of the realm Imagine being locked out of your house and not knowing what to do This is how the Nephilim felt when they first came to Earth Heaven was not at all like the world which had mountains rivers and lots of animals The Nephilim were scared and wondered if they would ever be happy or fit in again After that something amazing happened As they explored this new world they met many different kinds of animals and people Their first meeting was with Bella a friendly bird who showed them around Earth and introduced them to her friends People who were Nephilim started to use their special abilities for good For example they helped farms with their crops saved animals in danger and cheered up kids who were sad So they did great things and felt like they had a purpose in their new life on Earth But not everything was easy Before there was a mistake that made the Nephilim feel alone in a group However the villagers realized they were wrong and were happy to see the Nephilim because of a little girl named Lily who saw the Nephilim s good traits Even though kindness and patience can change people s thoughts this showed the Nephilim that people can be afraid of things they don t

understand Then when an angel from heaven visited their trip took a turn they didn't expect The angel told them that their good deeds on Earth made God happy They were told they had a new job to protect Earth with kindness and hope It was exciting and clear to the Nephilim what they had to do Even though they had a lot of problems they were never alone They had each other and their new friends to help them get through anything Protecting the town from a strong storm was a big problem they had to deal with The Nephilim worked together to protect each other and used their skills People in the area thanked them for being brave and kind which cemented their place in the community They were no longer outsiders they were now dear friends In the end the Nephilim decided to stay on Earth instead of going back to heaven They were determined to reach their goal because they loved their new home so much They lived with people and other animals and shared kindness love and hope We can learn a lot from Heaven's Outcasts about how to understand accept and value second chances It shows that everyone can make a change and find their place in the world no matter where they come from We can learn to be brave kind and selfless from the story of the Nephilim Moving making new friends and realizing that everyone deserves a second chance to do things right are all parts of this story Chapter 1 The Fall Heaven was a place of unmatched beauty and peace perched high above clouds that sparkled with golden light in the enchanted world of the deep blue sky There were many angels living in this heavenly world and they were all nice and helpful There was also a strange race of animals called the Nephilim Heavenly beings loved the Nephilim for their amazing skills kind hearts beautiful wings and eyes But their journey suddenly went in a different direction starting a new era in Heaven's past full of strange events Nephilim who were always interested in new things and seeking excitement had to make a tough choice one day They broke Heaven's most important rule without meaning to at a time that would change their fate forever This law was made by the highest authority to keep the peace and order in this celestial place This rule was broken because people didn't follow it and it also upset the delicate balance that kept Heaven and its people in perfect peace What they did had terrible results right away Because the Nephilim were so bad they were sent out of Heaven as a punishment Even though this choice was bad for everyone it had to be made to follow the rules that guide the celestial worlds Even though the angels used to admire the Nephilim they now found themselves falling from the sky going through the clouds and landing on Earth They were filled with fear and uncertainty Once the Nephilim arrived on Earth they found a world that was very different from the paradise they had experienced in heaven They were in a place with lush woods huge oceans that seemed to whisper secrets from deep within and mountains that reached for the sky The Nephilim on the other hand felt lost in this amazing beauty as if they had lost their way While they were traveling around the world they felt very alone and couldn't figure out why they were there To fall from Heaven wasn't just to hit the ground it was a journey into the unknown full of obstacles and lessons to be learned It was the start of a trip that would test their bravery make them question their beliefs and change them completely by the end When the Nephilim came into contact with people and nature they started a trip to learn more about them It was their hope

to find a new mission that would give their time on Earth for purpose and for forgiveness Even though they were scared and didn't trust each other their fall from Heaven was the beginning of an amazing journey It was an invitation to find the strong bonds of friendship to look inside themselves and to learn what it really means to forgive There were challenges in this new part of their lives but there was also hope It was like a lighthouse pointing them toward a time when they would be able to find their place in the world again this time as valued guardians of a brand new home instead of misfits *Heaven's Final* Diane Taylor, 2005-06 *Heaven's Final* is about Jody a small young mental genius confined to a wheel chair for life and his superb mental power Can Jody overcome his father's determination to use that ability for his own purpose Jody would do anything for his sister whom he loves dearly but will the battle with his father kill or save her Will his craving need for friends he never had before become his defeat Fortunately Jody isn't alone He has a stubborn and loving detective who befriends him a ghostly angel who tries to protect him and a mysterious heavenly emissary who will carve out of the struggle between Jody and his father the final plan for Earth *Heaven's Final* is the sequel to *Heaven's Own* but can be read independently
