Desperate to escape her scheming relatives, Evangeline Jenner has sought the help of the most infamous scoundrel in London. A marriage of convenience is the only solution. No one would have ever paired the shy stammering wallflower with the sinfully handsome viscount. It quickly becomes clear, however, that Evie is a woman of hidden strength and Sebastian desires her more than any woman he's ever known. Determined to win her husband's elusive heart, Evie dares to strike a bargain with the devil. If Sebastian can stay celibate for three months, she will allow him into her bed.
