The WPA Guide to Pennsylvania Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works

Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The Keystone State is well represented in the WPA Guide to Pennsylvania. The essays explore the rich descriptions of the state's historically significant cities such as Pittsburgh and Philadelphia, as well as the diversity of the state which also includes many farms and small mining communities.

Field & Stream, FIELD STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

And while the maps are sure to be the finest quality you have ever used, the thing that makes this book unique is all the additional information. Your favorite outdoor activities including fishing, lakes and streams, hunting, camping, hiking, and biking, snowmobiling, and off-roading, paddling, skiing, golfing, and wildlife viewing are covered in great depth with helpful editorial and extensive tables which are all cross-referenced and indexed to the map pages in a way that's fun and easy to use.

Twin River II Michael Fields, 2014-09-23 My name is Palladin as in pallbearer. Learning the skill of killing from his father at an early age, Wesley Palladin. Have Weapons Will Travel reaches the highest level of his profession as an assassin for the mob in Philadelphia. Unfortunately, Palladin mishandles a contract and exiles himself to Twin River where he takes a bank security job and also becomes the mentor to fourteen-year-old Matt Henry, a very troubled violent teenager. Matt is challenged to overcome the tragedy of abuse in his past, deny his quest for revenge, and find hope in the dark, foreboding Shadows of Death that cloak Blood Mountain. Riveting and deadly action originates in Chinatown, the Italian Market, and Bryn Mahr in Philadelphia and relocates ominously to the Twin River farmlands and mountains in Central Pennsylvania. Beset by kidnappings, wild hog attacks, extreme bullying, and unchecked brutality in a juvenile institution, violence prevails in the small mountain community. As the body count rises, unlikely contributions from Holden Caulfield and comedian Bob Hope bring a resolution that is fearsome, unexpected, and also
