discipline you will gain new insight into traditional and emerging issues in organizational communication and learn what it takes to reach stakeholders both inside and outside the organization **The NEW Employee Manual** Benjamin Gilad, PhD, Mark Chussil, 2019-03-19 Welcome to Corporate Life The NEW Employee Manual is not your Dad's or Mom's employee manual It's the new playbook for corporate survival fitting today's realities and the challenges facing employees who join or work in large seemingly successful companies Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world The NEW Employee Manual will help you navigate the Corporate with a capital C labyrinth Where Corporate's manual shapes you into a dutiful cog for the good of the machine ours helps you enhance your career for the good of well you and your company The NEW Employee Manual should make you feel skeptical skeptical of empty slogans obsolete rituals obsessive pursuits and bigwigs playbooks that no longer work That alone should be worth this book's price Skepticism you see is a good thing because it is only the skeptic only the free thinker only the maverick who asks new questions and finds useful answers So are you a maverick or a cog

Handbook of Research on Retailer-Consumer Relationship Development Musso, Fabio, Druica, Elena, 2014-05-31 Though based on an economic transition retailer consumer relationship is also influenced by non economic factors and is a context of social interaction With the emergence of modern merchandising techniques and a rise in large retail companies consumers have become increasingly vigilant of practice within the retail industry Handbook of Research on Retailer Consumer Relationship Development offers a complete and updated overview of various perspectives relating to customer relationship management within the retail industry and stimulates the search for greater integration of these views in further research Offering different angles to analyze the exchange between the retailer and the consumer this handbook is a valuable tool for professionals and scholars seeking to upgrade their knowledge as well as for upper level students **The Future of Unions and Worker Representation** Anthony Forsyth, 2022-01-13 This book charts the path to revitalisation for trade unions in Australia the USA the UK and Italy It examines the examples of innovation and digital campaigning that are enabling unions to build new forms of worker power and overcome decades of declining membership wrought by neoliberalism globalisation and hostility from employers and the state The study evaluates the responses of unions in each country to falling membership levels since the 1980s It considers the US organising model and its adoption in Australia and the UK comparing this with the strategies of Italian unions which have been more deliberately focused on precarious and migrant workers The increasing reliance of US unions on community alliances as seen in the Fight for 15 and similar campaigns is scrutinised along with new union prototypes like Hospo Voice in Australia the Independent Workers Union of Great Britain and SI Cobas in Italy The book includes an in depth analysis of union responses to the gig economy in the four countries and the emergence of self organised worker collectives to combat this exploitative business model The vital role played by unions in defending the interests of workers during the COVID 19 pandemic is also examined As well as

highlighting the most successful union initiatives to meet the challenges of the past 30 years the book assesses the strengths and deficiencies of the legal framework for union representation in the four nations It identifies the labour law reforms needed to rebuild collectivism but argues that more is needed than favourable laws This cross national study provides a rich basis for identifying the combination of reforms strategies and linkages required to ensure that unions can remain relevant for a new generation of digitally active workers

The Routledge International Handbook of the Crimes of the Powerful Gregg Barak, 2015-06-05 Across the world most people are well aware of ordinary criminal harms to person and property Often committed by the powerless and poor these individualized crimes are catalogued in the statistics collected annually by the FBI and by similar agencies in other developed nations In contrast the more harmful and systemic forms of injury to person and property committed by powerful and wealthy individuals groups and national states are neither calculated by governmental agencies nor annually reported by the mass media As a result most citizens of the world are unaware of the routinized crimes of the powerful even though they are more likely to experience harms and injuries from these types of organized offenses than they are from the atomized offenses of the powerless Research on the crimes of the powerful brings together several areas of criminological focus involving organizational and institutional networks of powerful people that commit crimes against workers marketplaces taxpayers and political systems as well as acts of torture terrorism and genocide This international handbook offers a comprehensive authoritative and structural synthesis of these interrelated topics of criminological concern It also explains why the crimes of the powerful are so difficult to control Edited by internationally acclaimed criminologist Gregg Barak this book reflects the state of the art of scholarly research covering all the key areas including corporate global environmental and state crimes The handbook is a perfect resource for students and researchers engaged with explaining and controlling the crimes of the powerful domestically and internationally
