**Handgun Buyer's Guide** Brad Fitzpatrick,2015-11-17 The one stop shop for prospective handgun buyers The market for new handguns is expanding

rapidly and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun whether you're a recreational shooter, a concealed carry permit holder, a hunter, or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically advanced alloys, polymers, and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stems from new interest in handguns primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow fire matches at local gun clubs to modern IPSC, IDPA, and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on, hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**9 Mm Parabellum Walther P. 38 Auto Pistol Operator** Richard Quattro, 2004 Mares, Foals and Ferraris A. Allan Juell, 2011-10. Mares, Foals, and Ferraris is a rather convoluted and hilarious tale of one man's quest to quit driving a school bus and become some sort of farmer. Like most quests, this one went a little sideways. Instead of turnips, he got racehorses. But underneath this story is another: a child trying to grow up in a violent world, a young adult trapped between a reluctant acceptance of what is and the seemingly desperate pursuit of the elusive "what if." And most importantly, the endless conflicts, both political and personal, that wander through each ensuing generation, the restless ghosts of the "what was." Two puzzling questions the book may finally answer: why do some children run away to live with animals, and on the more capricious side of life's mysteries, why do some people breed racehorses when they could just as easily afford a Ferrari? Maybe not. A. Allan Juell has been writing about horses and the people well, those folks that tend to hang around with large, hairy mammals for roughly thirty years. His work has appeared in periodicals such as Washington Thoroughbred, EQUUS Chronicle of the Horse, Western Horseman, Thoroughbred Times, Anvil Magazine, and others, both regional and international. He picked up a few obscure literary awards along the way, as well as copious amounts of enlightened criticism. He spent his first thirty years working as a farrier and farm manager and about fifteen years as an itinerant journalist wandering most of the world's

habitable continents and questionable bars He holds a degree in history and sometimes attempts to further confuse the world's problems at Historyonics.com His early years were spent in the urban rainforests of Seattle though currently he hangs out in Redwood City California And yeah he still drives a bus from time to time      *Shooter's Bible, 107th Edition* Graham Moore, 2015-10-06 Published annually for more than eighty years the Shooter's Bible is the most comprehensive and sought after reference guide for new firearms and their specifications as well as for thousands of guns that have been in production and are currently on the market Nearly every firearms manufacturer in the world is included in this renowned compendium The 107th edition also contains new and existing product sections on ammunition optics and accessories plus newly updated handgun and rifle ballistic tables along with extensive charts of currently available bullets and projectiles for handloading With a timely feature on the newest products on the market and complete with color and black and white photographs featuring various makes and models of firearms and equipment the Shooter's Bible is an essential authority for any beginner or experienced hunter firearm collector or gun enthusiast Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
