Unisa Short Courses 2014:

2014 International Conference on Advanced Education and Management (ICAEM2014) ,2014-02-13 The ICAEM2014 aims to bring together researchers educators and students from around the world in both industry and academia for sharing the state of art research results and applications for exploring new areas of research and development and for discussing emerging issues on education and management fields We received a total of 312 submissions from various parts of the world The Technical Program Committee worked very hard to have all papers reviewed before the review deadline The final technical program consists of 92 papers There are one keynote speech and 2 invited sessions The proceedings were published by DEStech Publications Inc and will submitted to Ei Compendex databases for indexing We would like to mention that due to the limitation of the conference venue capacity we are not able to include many fine papers in the technical program Our apology goes to those authors [Contested Issues in Training Ministers in South Africa](#) Marilyn Naidoo,2015-07-01 The purpose of this book is to engage challenging issues that are called into question during ministerial training This is a volume presenting eleven contested issues that attend to concerns related to structures processes knowledge and practices within theological education Contributors offer keen insights about how to think differently and more complexly about these matters within a changing South Africa It is an affirmation of the multiple voices locations identities and positions within South African theological education as a starting point for transformative theological education It is hoped that these reflections can enable future ministers to confront the question of how to be in the world with the required competence integrity and professional identity to meet the needs of church and society [Footprints](#) McLean Sibanda,2021-09-06 Footprints is a captivating story about intellectual property IP It speaks to its role in society trade industry and economy and expounds on the actual meaning of IP The book lays a solid foundation for innovators entrepreneurs businesses and nations to realise their full potential through IP policy legislation use and practices McLean Sibanda shares his personal story together with stories and testimonies of fellow travellers taking us through their journey into the field of IP He meticulously recounts South Africa s path in transforming the management of IP emanating from publicly financed research and development R D development of critical human capital and other infrastructure to ensure effective IP commercialisation and technology transfer Footprints is a timely masterpiece given IP issues in Africa s scramble for Covid 19 vaccines and implementation of the agreement establishing the African Continental Free Trade Area AfCFTA The book provides strategies of how African countries can use IP and innovation to develop industries to ensure health security and trading of goods that can benefit from the AfCFTA Narrated through a series of significant moments Footprints demonstrates the importance of vision solid foundation collaboration champions and intentional steps for economic transformation With glimpses into how countries such as China and Korea used IP to develop their economies this book makes a compelling case for embracing IP increased R D investment relevant human capital and appropriate use of IP in the

development of new products and services necessary for knowledge based and industrialised economies Footprints is a must read for any academic aspiring intellectual property scholar policy maker economist development activist entrepreneur researcher innovator professional and technology transfer specialist Intellectual property is everywhere around us and impacts our lives For entrepreneurs and businesses alike intellectual property is about value creation it is the insurance you need for when you succeed McLean Sibanda

Universities and Sustainable Communities: Meeting the Goals of the Agenda 2030 Walter Leal Filho, Ubiratã Tortato, Fernanda Frankenberger, 2019-09-25 The book showcases examples of university engagement in community initiatives and reports on the results from research and from a variety of institutional projects and programmes As a whole the book illustrates how actors at the community microlevel and other levels meso and macro can make valuable and concrete contributions to the implementation of the Sustainable Development Goals SDGs and more specifically to achieving the objectives defined at the 2030 Agenda for Sustainable Development It is one of the outcomes of the Second World Symposium on Sustainability Science which was jointly organised by the Pontifícia Universidade Católica do Paraná Brazil the Research and Transfer Centre Sustainable Development and Climate Change Management and the European School of Sustainability Science and Research at Hamburg University of Applied Sciences Germany in cooperation with the Inter University Sustainable Development Research Programme IUSDRP

Workforce Development Roger Harris, Tom Short, 2013-11-19 This book captures the essence of current workforce development perspectives and draws on extensive global research to uncover a range of issues confronting organisations Taking primarily an Australian outlook after the global financial crisis and tracing the progress of a national industry sector each chapter delves into a major area of interest for leaders Overall the authors make the case that workforce development is an amalgam of activities influenced by context politics and economic development As the world becomes increasingly connected and mobile workforce development is proving to be a major activity for organisations because it impacts their longer term survival and growth To stay ahead successful organisations focus on attracting building engaging and retaining talented people However in a financially turbulent era where strategy changes quickly workforce development must not only plan and build the capabilities of people at work but also contribute to making employment more socially sustainable for a better world This book provides a thought provoking collection of scholarly work for business leaders human resource practitioners and academics working in adult education business psychology and social science disciplines At the same time it adopts an accessible style for students and others who want to know more about the development of people at work

Workforce Development Tom Short, Roger Harris, 2014-07-02 This book is the second in a series of two volumes that reviews a broad range of strategies and practices undertaken as workplace development activities in a post global financial crisis period when organisational volatility and survival were foremost in the minds of leaders Drawing mainly from a wide range of major research projects conducted Australia and with some contributions from international authors this second book is a

compilation of contemporary themes and applications that were developed from individual research projects During the global financial crisis the Australian economy out performed many other developed countries but it was not immune from international pressures such as global competition market fluctuations and an increasingly mobile workforce These issues are reflected in many of the chapters and the combined work will inform readers about the major workforce development challenges facing public and private sector organisations The book blends relevant literature with rich empirical evidence gathered from large and small organisations and includes application tools developed by researchers who are experts in their field This book will be of scholarly interest to a broad audience of academics industry leaders human resource practitioners and students in adult education business psychology and social science disciplines Moreover the book will be of interest to education and training professionals management consultants and more generally people who follow the evolution of work and its impact on contemporary society

The Evolving Curriculum in Interpreter and Translator Education David B. Sawyer, Frank Austermühl, Vanessa Enríquez Raído, 2019-06-15 The Evolving Curriculum in Interpreter and Translator Education Stakeholder perspectives and voices examines forces driving curriculum design implementation and reform in academic programs that prepare interpreters and translators for employment in the public and private sectors The evolution of the translating and interpreting professions and changes in teaching practices in higher education have led to fundamental shifts in how translating and interpreting knowledge skills and abilities are acquired in academic settings Changing conceptualizations of curricula processes of innovation and reform technology refinement of teaching methodologies specific to translating and interpreting and the emergence of collaborative institutional networks are examples of developments shaping curricula Written by noted stakeholders from both employer organizations and academic programs in many regions of the world the timely and useful contributions in this comprehensive international volume describe the impact of such forces on the conceptual foundations and frameworks of interpreter and translator education

ECKM2014-Proceedings of the 15th European conference on Knowledge Management Carla Vivas, 2014-10-01 The world economy in which we are living poses challenges that lead to a realization that more of the same will be difficult to sustain This provides an illustration that in order to create new or modified knowledge practices strengthen customer relationships and thus positively influence customer satisfaction organizations must be flexible in configuring combining knowledge and knowledge structures in a way that is appropriate for delivering value to the customer It must simultaneously develop effective strategies for updating the knowledge of its staff members necessary for underpinning the creation and delivery of appropriate knowledge services Thus unlearning forgetting becomes a critical means for organizational success The ECKM community of scholars has already initiated dialogue that links its particular strengths to innovation issues This conference aims to further that dialogue by attracting leading edge work that leverages the ECKM community's in depth understanding of learning and unlearning to better understand knowledge management Our aim is to stimulate breakthrough research

streams linking learning unlearning and knowledge management How can organizations tailor use and extend techniques and tools from knowledge management for improving their business practices and processes Building upon existing work on knowledge management KM and organizational learning the conference will promote interdisciplinary approaches from computer science and information systems business management and organization science as well as cognitive science Emphasis will be put on systematic learning from experience KM tools and KM success factors A special interest belongs to knowledge management initiatives which are lightweight i e do not place considerable additional burden on users and KM experts allow an incremental adoption i e do not require large up front investment before any return of investment is at least visible and are flexible regarding frequent changes in experts and topics Continuing the success of the ECKM conference series since 2000 the 2015 conference will provide an international communication forum bringing together academia and industry for discussing the progress made and addressing the challenges faced by continuous learning in knowledge intensive organizations

ECRM2015-Proceedings of the 14th European Conference on Research Methods 2015 Dr Vincent Cassar, Dr Frank Bezzina, 2015-06-01 Complete proceedings of the 14th European Conference on Research Methodology for Business and Management Studies Valletta Malta Published by Academic Conferences and Publishing International

The National Agricultural Directory 2011, 2010

Standards of English in Higher Education Neil Murray, 2016 A frank and critical appraisal of English language proficiency as a key issue in higher education today

Enemy of the People Adriaan Basson, Pieter du Toit, 2017-11-07 *Enemy of the People* is the first definitive account of Zuma's catastrophic misrule offering eyewitness descriptions and cogent analysis of how South Africa was brought to its knees and how a people fought back When Jacob Zuma took over the leadership of the ANC one muggy Polokwane evening in December 2007 he inherited a country where GDP was growing by more than 6% per annum a party enjoying the support of two thirds of the electorate and a unified tripartite alliance Today South Africa is caught in the grip of a patronage network the economy is floundering and the ANC is staring down the barrel of a defeat at the 2019 general elections How did we get here Zuma first brought to heel his party Africa's oldest and most revered liberation movement subduing and isolating dissidents associated with his predecessor Thabo Mbeki Then saw the emergence of the

tenderpreneur and those attempting to capture the state as well as a network of family friends and business associates that has become so deeply embedded that it has in effect replaced many parts of government. Zuma opened up the state to industrial scale levels of corruption causing irreparable damage to state enterprises, institutions of democracy and the ANC itself. But it hasn't all gone Zuma's way. Former allies have peeled away. A new era of activism has arisen and outspoken civil servants have stepped forward to join a cross section of civil society and a robust media. As a divided ANC squares off for the elective conference in December where there is everything to gain or to lose, award winning journalists Adriaan Basson and Pieter du Toit offer a brilliant and up to date account of the Zuma era.

FAQs About Unisa Short Courses 2014 Books

What is a Unisa Short Courses 2014 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Unisa Short Courses 2014 PDF?** There are several ways to create a PDF: Use software like

Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Unisa Short Courses 2014 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Unisa Short Courses 2014 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Unisa Short Courses 2014 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
