

* Cold War

- Emerged during world war II in 1945 to 1990
- It is not an armed war on battle field but a diplomatic struggle between the two superpowers - The United States and The Soviet Union (USSR) for world supremacy (global leadership)
- The term Cold war was first coined by Bernard Baruch, who was an American financier and statesman.

USA's Opinion → to give freedom to private sectors as they work efficiently and make more profits therefore the economy of the country will grow.

(2) Communist Block → In which USSR favours Communism means all the economic activity will be done under government only.

Opinions → Govt. should control every activity of the country as private sectors exploit poor category people.
