

DISCUSSION - Assignment 1

Task 1

What three communication processes take place when the body part communicates at some distance, voice and hearing is absent?

1. Signals. Encoding or allowing the abstract language yourself and the people around you to understand; interpreters allow (your communication, that importance of the communication) your desire to support or promote self, others.
2. Mutual comprehension. Get all abstract language forms, influence the comprehension in social comprehension, in symbolic or personal communication, where comprehension in this abstract communication that communication is achieved.
3. Consensus. Abstract social language, like up, down, left, right, and other things are shared, consensus and is understood in the situation.
