**How to Dress a Dummy** Cassie Lane, 2017-07-01 For as long as she could remember Cassie Lane yearned to be somebody else Not only was she socially awkward she was odd looking and her dysfunctional family were the type of people who bonded over stealing their Christmas tree every year Miraculously at sixteen Cassie's prayers were answered and she got boobs big ones Suddenly the centre of attention she went from gawky bogan to international model strutting catwalks from Milan to LA But beneath the gloss she discovered a world of exploitation where living off your looks can attract as much scorn as admiration Her search for a version of herself she could actually like took her from Hollywood parties to an island ashram and reluctantly back into the spotlight as an AFL WAG a position where one wrong step can get you labelled a slut skank and stripper In time the gawky bogan came full circle and Cassie grew to understand that beauty is not about high cheekbones or a 24 inch waist True beauty is found in the imperfect and vulnerable How to Dress a Dummy casts an unwavering eye at the myriad ways in which women are taught that they're not enough Smart frank and very very funny Cassie's is a bold new feminist voice
