Wading Home A Novel Of New Orleans:

Wading Home Rosalyn M. Story, 2010 A multigenerational family saga set against the backdrop of post Katrina New Orleans and Louisiana Provided by publisher Wading Home Rosalyn Story, 2010-10-01 The Essence bestselling author of *More Than You Know* has crafted a post Katrina New Orleans from a fume cloud of sad jazz and Creole spices Publishers Weekly When Hurricane Katrina hits New Orleans chef and widower Simon Fortier knows how he plans to face the storm riding it out inside his long time home in the city's Treme neighborhood just as he has through so many storms before But when the levees break and the city is torn apart Simon disappears His son Julian a celebrated jazz trumpeter rushes home to a New Orleans he left years before to search for his father As Julian crisscrosses the city fearing the worst he reconnects with Sylvia Simon's companion of many years Parmenter his father's erstwhile business partner and one of the most successful restaurateurs in New Orleans and Velmyra the woman Julian left behind when he moved to New York Julian's search for Simon deepens as he finds himself drawn into the troubled history of Silver Creek the extravagantly beautiful piece of land where his father grew up and closer once again to Velmyra As he tries to come to grips with his father's likely fate Julian slowly gains a deeper richer understanding of his father and the city he loved so much while unraveling the mysteries of Silver Creek Story's musical background infuses her novel with a lyrical rhythm as engaging characters rebuild their relationships and their city moving if heart wrenching Kirkus Reviews **Popular New Orleans** Florian Freitag, 2020-10-01 New Orleans is unique which is precisely why there are many Crescent Cities all over the world for almost 150 years writers artists cultural brokers and entrepreneurs have drawn on and simultaneously contributed to New Orleans's fame and popularity by recreating the city in popular media from literature photographs and plays to movies television shows and theme parks Addressing students and fans of the city and of popular culture *Popular New Orleans* examines three pivotal moments in the history of New Orleans in popular media the creation of the popular image of the Crescent City during the late nineteenth century in the local color writings published in *Scribner's Monthly* *Century Magazine* the translation of this image into three dimensional immersive spaces during the twentieth century in Disney's theme parks and resorts in California Florida and Japan and the radical transformation of this image following Hurricane Katrina in public performances such as Mardi Gras parades and operas Covering visions of the Crescent City from George W Cable's *Old Creole Days* stories 1873 1876 to Disneyland's *New Orleans Square* 1966 to Rosalyn Story's opera *Wading Home* 2015 *Popular New Orleans* traces how popular images of New Orleans have changed from exceptional to exemplary Ten Years after Katrina Mary Ruth Marotte, Glenn Jellenik, 2014-12-18 Hurricane Katrina blasted the Gulf Coast in 2005 leaving an unparalleled trail of physical destruction In addition to that damage the storm wrought massive psychological and cultural trauma on Gulf Coast residents and on America as a whole Details of the devastation were quickly reported and misreported by media outlets and a slew of articles and books followed offering a spectrum of socio political commentaries and analyses

But beyond the reportage and the commentary a series of fictional and creative accounts of the Katrina experience have emerged in various mediums novels plays films television shows songs graphic novels collections of photographs and works of creative non fiction that blur the lines between reportage memoir and poetry The creative outpouring brings to mind Salman Rushdie s observation that Man is the storytelling animal the only creature on earth that tells itself stories to understand what kind of creature it is This book accepts the urge behind Rushdie s formula humans tell stories in order to understand ourselves our world and our place in it Indeed the creative output on Katrina represents efforts to construct a cohesive narrative out of the wreckage of a cataclysmic event However this book goes further than merely cataloguing the ways that Katrina narratives support Rushdie s rich claim This collection represents a concentrated attempt to chart the effects of Katrina on our cultural identity it seeks to not merely catalogue the trauma of the event but to explore the ways that such an event functions in and on the literature that represents it The body of work that sprung out of Katrina offers a unique critical opportunity to better understand the genres that structure our stories and the ways stories reflect and produce culture and identity These essays raise new questions about the representative genres themselves The stories are efforts to represent and understand the human condition but so are the organizing principles that communicate the stories That is Katrina narratives present an opportunity to interrogate the ways that specific narrative structures inform our understanding and develop our cultural identity This book offers a critical processing of the newly emerging and diverse canon of Katrina texts

The New Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In The New Orleans of Fiction A Research Guide James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included

Castro,2013-07-16 The irresistible razor sharp second book in the post Katrina New Orleans set crime series featuring unforgettable and gutsy reporter Nola C spedes Early one morning Times Picayune crime reporter Nola C spedes goes for her regular run in Audubon Park More than the heat of the dawning New Orleans day she's trying to outrun her growing unease with the man she's seeing who is pushing her to get more serious Instead Nola finds herself at the scene of a crime when she discovers a dead body Worse Nola recognizes the victim Judith Taffner her former journalism professor at Tulane Not convinced Dr Taffner's murder was the random work of a psychopath and not one to put much trust in the good ol boys of the NOPD Nola takes it upon herself to investigate She discovers that Dr Taffner was working on two explosive stories both of which would shock even this notoriously corrupt city And when an apparently related murder occurs in the middle of New Orleans packed Jazz Fest Nola realizes it's only a matter of time before she becomes a ruthless killer's next target Rich with details of New Orleans and featuring an original tough heroine as fascinating as the city itself **Nearer Home** is the perfect follow up to Joy Castro's *Hell or High Water* confirming her status as a talented new crime writer to watch Exquisite New Orleans background a flawed but plucky heroine and skillfully paced suspense make this a stay up way past your bedtime read Booklist starred Youth's Companion ,1896 *A Little Purple Book of New Orleans Stories* Poppy Z.

American Exodus Giles Slade,2013-11-01 Some scientists predict the sea will rise 1.5 meters before 2100 but rapidly melting polar ice caps could make the real amount much higher In the coming century intensifying storms will batter our coasts and droughts and heat events will be annual threats All this will occur as population grows and declining water resources desiccate agriculture What will happen when the United States cannot provide food or fresh water for the overheated overcrowded cities where 80% of Americans currently live The good news is that this overall decline of

habitability in the mid latitudes will be matched by increases in the carrying capacity of sparsely populated lands above the 49th parallel This phenomenon suggests that waves of environmental refugees will travel poleward as southern conditions worsen Our northern lands are our Noah s ark a vital refuge against the moment of mankind s greatest need In this compelling cautionary tale Slade argues that we are entering a long period of global desperation which will be characterized by human migration on an unprecedented scale American Exodus is a frighteningly believable survey of our immediate future but it ends on a note of hope we may yet survive the coming century of climatic change if we act now to safeguard our shelter of last resort *Who's who Among North American Authors* ,1929 **Was the Cat in the Hat Black?** Philip

Nel,2017-07-06 Racism is resilient duplicitous and endlessly adaptable so it is no surprise that America is again in a period of civil rights activism A significant reason racism endures is because it is structural it s embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people Was the Cat in the Hat Black presents five serious critiques of the history and current state of children s literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as The Cat in the Hat s roots in blackface minstrelsy and more opaque like how the children s book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children s literature While Was the Cat in the Hat Black does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism
