## Outline:

Todd has carried a desperately wounded Viola the last few feet into Haven and right into the hands of their worst enemy, Mayor Prentiss. In exchange for Viola's safety, Todd is forced to work with the Mayor in creating a new society for the settlers to come, one based on bringing an ominous-sounding order to the chaos of New Prentissown. But what secrets are hiding just outside of town? And who are the mysterious Answer?

At the end of Book One of the Chaos Walking trilogy we left a badly wounded Viola and Todd in the hands of Mayor Prentiss, now President Prentiss. The town of Haven has surrendered to him and Viola is sent to a House of Healing. One of President Prentiss' first actions is to jail Todd, separate the men and women and enslave the Spackle.

Patrick Ness has deepened the complexity and moral ambiguity in his second book of the Chaos Walking trilogy. The challenges to the reader and the characters are immense, as the ethical dilemmas of terror and justice take hold. Readers 14+ will devour this confronting and gripping tale of power and control.
