Go for what you believe in It is better to attempt and fail than not attempt at all Change is possible People are so used to being told what they can't do and they begin believing it and don't attempt to do People need motivation inspiration and encouragement Who better to give this to them than someone who has walked a mile in their shoes This is what my story is for The Ghost of Wickham Bridge Paul Winters,2022-05-06 In this curious ghostly tale we have a lonely figure who through no thought of his own is forced to travel disconnected from the world around him On and on he must walk never tiring never eating never drinking never speaking wishing he was truly dead This is my personal story *To Fetch A Thief* Spencer Quinn,2011-09-29 Chet has smelled a lot of unusual things in his years as trusted companion and partner to P I Bernie Little but nothing has prepared him for the exotic scents he encounters when an old fashioned traveling circus comes to town Bernie scores tickets to this less than greatest show on earth because his son Charlie is crazy about elephants The only problem is that Peanut the headlining pachyderm of this particular one ring circus has gone missing along with her trainer Uri DeLeath Stranger still no one saw them leave How does an elephant vanish without a trace into the dark desert night Some very dangerous people would prefer that Chet and Bernie disappear for good and will go to any lengths to make that happen Across the border in Mexico and separated from Bernie Chet must use all his natural strength and doggy smarts to try and save himself not to mention Bernie and a decidedly uncooperative Peanut too **Good-Vs-Evil** Anastacia Burrell,2018-12-29 God is there to save you from harm The devil can't take no more than you can't ever have in life on what you can have is yours in life who stands by the great waterfalls of life stands for ups and downs everything is meant for a reason because you wonder why your life is so block from others because something maybe missing in order to put common sense together which was unsaid and done that needs to be done so you cherish the memory of that day of your life every stone you can ever take and every breath in your body give it to god and glory and take a deep breath and praise God Trials must be mistaken because whatever you do or whatever you did it must be something or what you did needs to be fixed and prepared of a dislike compare to or a distance A distance is a challenge of course or a state of mind What people do for a living is the unit of life It's the bad things that you do that makes trials go wrong and bad rather than right One way it is or another and one way it doesn't What you do or what you don't do you pick up the pieces of the puzzles and get it right on time on the dot and line and you take a piece of the pie what you like and dislike and show and prove the way you want it You talk about the good old times and sometimes it's about the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life You take that and swipe your shoulders off The greater it is the badder it maybe It can be fixable that same day or a couple of days a head Trouble don't last always and not for long That's how it works and what should be done and you take it and fix everything that has been broken You stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can't do you don't have to do it or put up with it Be yourself and do all that you can do as possible and that's all you can do You cannot please everyone because

it s gonna have a passing moment when you can do something or not and you will be tired of it It also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells Buddhism voodoo and many more
