The Day God Explained Himself David W. Palmer, 2014

Jesus is the master communicator. He is the best teacher using the best technique to convey the most crucial content ever disclosed to man. Jesus reveals God's purpose for us. He also shows us how God interacts with man and how his kingdom system works. Jesus' ministry led up to and continued to build on the foundation of a specific explanation he gave of God and his system. This happened on a particular day: The Day God Explained Himself. If we miss the significance of that day and if we don't put sufficient emphasis on the value of Jesus' teaching on it, we could miss God's best for our lives. We could spend the bulk of our Christian walk on course askew from God's pathway. This in turn could lead to frustration, unproductive beliefs, religious self-effort, blaming God, or justifying fruitlessness. This book pinpoints the heart of Jesus' teaching. If we make this our focal point, the remainder of Jesus' teaching, his ministry, and other New Testament writings will fall into place.
