Financial Inclusion at the Bottom of the Pyramid Carol Realini, Karl Mehta, 2015-07-15 As incredible as it may seem in this hyper connected technologically advanced era half the planet's population exist as Financial nomads those who nourish and shelter themselves without using traditional banking services While the wealthy live at the top of a metaphorical pyramid taking financial security and banking services for granted there are billions of people who struggle at the pyramid's base in an exhausting state of financial exclusion and insecurity Times are changing rapidly but despite global uncertainty technology has the capacity to reach and equip people in all walks of life Advances in communications have reconfigured the ease with which we interact with our money and these advances can provide innovative financial services to the unbanked and underserved around the world Financial inclusion for all is indeed within our reach and with this conviction authors Karl Mehta and Carol Realini propose a vision for a better world and a blueprint to get there www.carolrealini.com

The Case for Good Jobs Zeynep Ton, 2023-06-06 Named one of the Best Business Books of 2023 by the Financial Times Thinkers50 2023 Winner Talent Award From MIT professor and pre eminent voice on Good Jobs comes a leadership guide for choosing excellence and providing good jobs that offer a living wage dignity and opportunities for growth From healthcare facilities to call centers fulfillment centers to factories and restaurants to retail stores companies are struggling to find or keep workers because the jobs they offer are low paying stressful and provide little chance for growth and success Workers want good jobs and many leaders want to provide them But they don't think they can offer higher pay and more motivating work without hurting the bottom line Most business leaders want to win with customers but their companies are hobbled by a host of service and operational problems largely driven by high employee turnover turnover that's partly driven by low pay It is indeed a vicious cycle and Zeynep Ton is here to show you the way out why good jobs combined with strong operations lead to higher productivity and increased competitiveness for the business And why more than ever in a world with tight labor markets failing to provide good jobs will catch up with you and threaten your business As the leading scholar on good jobs and president of the Good Jobs Institute Ton has helped executives at many companies implement a good jobs system With expertise drawn from spending time on the front lines with workers and their managers she knows what's keeping most companies mired in mediocrity and how implementing a good jobs system makes them more competitive more resilient and more likely to attract and retain loyal customers and dedicated employees Practical prescriptive and often provocative The Case for Good Jobs is essential reading for company leaders who want to who need to choose excellence
